This proxy statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission (“SEC”) and that is designed to assist you in voting your shares.

Notice of Internet Availability of Proxy Materials. As permitted by SEC rules, P3 is making this proxy statement and its 2023 Annual Report available to its stockholders electronically via the Internet. On or about April 26, 2024, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials (the “Internet Notice”) containing instructions on how to access this proxy statement and our 2023 Annual Report and vote online. If you received an Internet Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you specifically request them. Instead, the Internet Notice instructs you on how to access and review all of the important information contained in the proxy statement and 2023 Annual Report. The Internet Notice also instructs you on how you may submit your proxy over the Internet. If you received an Internet Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials contained on the Internet Notice.

Printed Copies of Our Proxy Materials. If you received printed copies of our proxy materials, then instructions regarding how you can vote are contained on the proxy card included in the materials.

Householding. The SEC’s rules permit us to deliver a single set of proxy materials to one address shared by two or more of our stockholders. This delivery method is referred to as “householding” and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one set of proxy materials to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the proxy materials, as requested, to any stockholder at the shared address to which a single copy of those documents was delivered. QUESTIONS AND ANSWERS ABOUT THE 2024 ANNUAL MEETING OF STOCKHOLDERS

Who is entitled to vote at the Annual Meeting?

The Record Date for the Annual Meeting is April 12, 2024. You are entitled to vote at the Annual Meeting only if you were a stockholder of record at the close of business on that date, or if you hold a valid proxy for the Annual Meeting. Each outstanding share of our Class A common stock and each outstanding share of our Class V common stock is entitled to one vote for all matters before the Annual Meeting. Holders of Class A common stock and holders of Class V common stock vote together as a single class on any matter (including the election of directors) that is submitted to a vote of our stockholders, unless otherwise required by law or our Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation"). At the close of business on the Record Date, there were 119,408,994 shares of Class A common stock and 196,494,420 shares of Class V common stock outstanding and entitled to vote at the Annual Meeting.

What is the difference between being a "record holder" and holding shares in "street name"?

A record holder holds shares in their name. Shares held in "street name" means shares that are held in the name of a bank or broker on a person's behalf.

Am I entitled to vote if my shares are held in "street name"?

Yes. If your shares are held by a bank or a brokerage firm, you are considered the "beneficial owner" of those shares held in "street name." If your shares are held in street name, these proxy materials are being provided to you by your bank or brokerage firm, along with a voting instruction card if you received printed copies of our proxy materials. As the beneficial owner, you have the right to direct your bank or brokerage firm how to vote your shares, and the bank or brokerage firm is required to vote your shares in accordance with your instructions. If your shares are held in street name, you may not vote your shares online at the Annual Meeting, unless you obtain a legal proxy from your bank or brokerage firm.

How many shares must be present to hold the Annual Meeting?

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting online or by proxy, of the holders of a majority of the voting power of the Common Stock outstanding and entitled to vote on the Record Date will constitute a quorum.

Who can attend the Annual Meeting?

You may attend the Annual Meeting online only if you are a P3 stockholder who is entitled to vote at the Annual Meeting, or if you hold a valid proxy for the Annual Meeting. You may attend and participate in the Annual Meeting by visiting the following website: www.virtualshareholdermeeting.com/PIII2024. To attend and participate in the Annual Meeting, you will need the 16-digit control number included in your Internet Notice, on your proxy card or on the instructions that accompanied your proxy materials. If your shares are held in "street name," you should contact your bank or broker to obtain your 16-digit control number or otherwise vote through the bank or broker. If you lose your 16-digit control number, you may join the Annual Meeting as a "Guest" but you will not be able to vote or ask questions. The meeting webcast will begin promptly at 9:00 a.m. Pacific time. We encourage you to access the meeting prior to the start time. Online check-in will begin at 8:45 a.m. Pacific time, 15 minutes prior to the meeting start time, and you should allow ample time for the check-in procedures.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present at the scheduled time of the Annual Meeting, the chairperson of the Annual Meeting is authorized by our Amended and Restated Bylaws (the "Bylaws") to adjourn the meeting, without the vote of stockholders. The affirmative vote of a majority of the voting power of the outstanding shares of Common Stock entitled to vote thereon, present in person or represented by proxy, may also adjourn the meeting until a quorum is present or represented.

What does it mean if I receive more than one Internet Notice or more than one set of proxy materials?

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, for each Internet Notice or set of proxy materials, please submit your proxy by phone, via the Internet, or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope.

TABLE OF CONTENTS

How do I vote?

Stockholders of Record. If you are a stockholder of record, you may vote:

- by Internet—You can vote over the Internet at www.proxyvote.com by following the instructions on the Internet Notice or proxy card;
- by Telephone—You can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card;
- by Mail—You can vote by mail by signing, dating and mailing the proxy card, which you may have received by mail; or
- Electronically at the Meeting—If you attend the meeting online, you will need the 16-digit control number included in your Internet Notice, on your proxy card or on the instructions that accompanied your proxy materials to vote electronically during the meeting.

Internet and telephone voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m., Eastern time on June 5, 2024. To participate in the Annual Meeting, including to vote via the Internet or telephone, you will need the 16-digit control number included on your Internet Notice, on your proxy card or on the instructions that accompanied your proxy materials.

Whether or not you expect to attend the Annual Meeting online, we urge you to vote your shares as promptly as possible to ensure your representation and the presence of a quorum at the Annual Meeting. If you submit your proxy, you may still decide to attend the Annual Meeting and vote your shares electronically.

Beneficial Owners of Shares Held in "Street Name." If your shares are held in "street name" through a bank or broker, you will receive instructions on how to vote from the bank or broker. You must follow their instructions in order for your shares to be voted. Internet and telephone voting also may be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you would like to vote your shares online at the Annual Meeting, you should contact your bank or broker to obtain your 16-digit control number or otherwise vote through the bank or broker. If you lose your 16-digit control number, you may join the Annual Meeting as a "Guest" but you will not be able to vote or ask questions at the Annual Meeting. You will need to obtain your own Internet access if you choose to attend the Annual Meeting online and/or vote over the Internet.

Can I change my vote after I submit my proxy?

Yes.

If you are a registered stockholder, you may revoke your proxy and change your vote:

- by submitting a duly executed proxy bearing a later date;
- by granting a subsequent proxy through the Internet or telephone;
- by giving written notice of revocation to the Secretary of P3 prior to or at the Annual Meeting; or
- by voting online at the Annual Meeting.

Your most recent proxy card or Internet or telephone proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Secretary before your proxy is voted or you vote online at the Annual Meeting.

If your shares are held in street name, you may change or revoke your voting instructions by following the specific directions provided to you by your bank or broker, or you may vote online at the Annual Meeting by obtaining your 16-digit control number or otherwise voting through the bank or broker.

Who will count the votes?

A representative of Broadridge Financial Solutions, Inc., our inspector of election, will tabulate and certify the votes.

TABLE OF CONTENTS

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board. The Board's recommendations are indicated on page 2 of this proxy statement, as well as with the description of each proposal in this proxy statement.

Will any other business be conducted at the Annual Meeting?

We know of no other business that will be presented at the Annual Meeting. If any other matter properly comes before the stockholders for a vote at the Annual Meeting, however, the proxy holder named on the Company's proxy card will vote your shares in accordance with their best judgment.

Why hold a virtual meeting?

We are pleased to use a virtual meeting format, which provides expanded access, improved communication, and cost savings for our stockholders and for the Company and also helps to support the health and well-being of our partners, employees and stockholders. The virtual Annual Meeting is accessible on any internet-connected device and stockholders will be able to submit questions and comments and to vote online during the Annual Meeting. We believe these benefits of a virtual meeting are in the best interests of our stockholders and a virtual meeting enables increased stockholder attendance and participation because stockholders can participate from any location around the world. You will be able to attend the Annual Meeting online and submit your questions by visiting www.virtualshareholdermeeting.com/PIII2024. You also will be able to vote your shares electronically at the Annual Meeting by following the instructions above.

What if during the check-in time or during the Annual Meeting I have technical difficulties or trouble accessing the virtual meeting website?

We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting website, and the information for assistance will be located on www.virtualshareholdermeeting.com/PIII2024.

Will there be a question and answer session during the Annual Meeting?

As part of the Annual Meeting, we will hold a live Q&A session, during which we intend to answer questions submitted online during the meeting that are pertinent to the Company and the meeting matters, for 15 minutes after the completion of the Annual Meeting. Only stockholders that have accessed the Annual Meeting as a stockholder (rather than a "Guest") by following the procedures outlined above in "Who can attend the Annual Meeting?" will be permitted to submit questions during the Annual Meeting. Each stockholder is limited to no more than two questions. Questions should be succinct and only cover a single topic. We will not address questions that are, among other things:

- irrelevant to the business of the Company or to the business of the Annual Meeting;
- related to material non-public information of the Company;
- related to any pending, threatened or ongoing litigation;
- related to personal grievances;
- derogatory references to individuals or that are otherwise in bad taste;
- substantially repetitious of questions already made by another stockholder;
- in excess of the two question limit;
- in furtherance of the stockholder's personal or business interests;
- or
- out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chair or Secretary in their reasonable judgment.

Additional information regarding the Q&A session will be available in the "Rules of Conduct" available on the Annual Meeting webpage for stockholders that have accessed the Annual Meeting as a stockholder (rather than a "Guest") by following the procedures outlined above in "Who can attend the Annual Meeting?".

TABLE OF CONTENTS

How many votes are required for the approval of the proposals to be voted upon and how will abstentions and broker non-votes be treated?

<u>Proposal</u>	<u>Votes required</u>	<u>Effect of Votes Withheld / Abstentions and Broker Non-Votes</u>
<u>Proposal 1:</u> Election of Directors	The plurality of the votes cast. This means that the three nominees receiving the highest number of affirmative “FOR” votes will be elected as Class III Directors.	Votes withheld and broker non-votes will have no effect.
<u>Proposal 2:</u> Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of the holders of a majority of the votes cast (excluding abstentions and broker non-votes).	Abstentions and broker non-votes will have no effect. We do not expect any broker non-votes on this proposal.
<u>Proposal 3:</u> Approval, on an advisory (non-binding) basis, of the compensation of our named executive officers.	The affirmative vote of the holders of a majority of the votes cast (excluding abstentions and broker non-votes).	Abstentions and broker non-votes will have no effect.
<u>Proposal 4:</u> Approval, on an advisory (non-binding) basis, of the frequency of future advisory votes on the compensation of our named executive officers.	The frequency that receives the affirmative vote of the holders of a majority of the votes cast (excluding abstentions and broker non-votes) will be the frequency recommended by stockholders. If no frequency receives the foregoing vote, then we will consider the option of ONE YEAR, TWO YEARS or THREE YEARS that receives the highest number of votes cast to be the frequency recommended by stockholders.	Abstentions and broker non-votes will have no effect.

What is a “vote withheld” and an “abstention” and how will votes withheld and abstentions be treated?

A “vote withheld,” in the case of the proposal regarding the election of directors (Proposal 1), or an “abstention,” in the case of the other proposals before the Annual Meeting, represents a stockholder’s affirmative choice to decline to vote on a proposal. Votes withheld and abstentions are counted as present and entitled to vote for purposes of determining a quorum. Votes withheld have no effect on Proposal 1. Abstentions have no effect on Proposals 2, 3 or 4.

What are broker non-votes and do they count for determining a quorum?

Generally, broker non-votes occur when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a particular proposal because the broker (1) has not received voting instructions from the beneficial owner and (2) lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a beneficial owner on routine matters, such as the ratification of the appointment of BDO USA, P.C. as our independent registered public accounting firm (Proposal 2), without instructions from the beneficial owner of those shares. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on non-routine matters. Proposals 1, 3 and 4 are non-routine matters. Broker non-votes count for purposes of determining whether a quorum is present. As Proposal 2 is considered a “routine” matter, we do not expect “broker non-votes” in connection with this proposal.

Where can I find the voting results of the Annual Meeting?

We plan to announce preliminary voting results at the Annual Meeting and we will report the final results in a Current Report on Form 8-K, which we intend to file with the SEC within four business days after the Annual Meeting.

PROPOSALS TO BE VOTED ON

Proposal 1: Election of Directors

At the Annual Meeting, three (3) Class III Directors are to be elected to hold office until the Annual Meeting of Stockholders to be held in 2027 and until each such director's respective successor is elected and qualified or until each such director's earlier death, resignation or removal.

We currently have nine (9) directors on our Board. Our current Class III Directors are Jeffrey G. Park, Thomas E. Price, M.D. and Mary Tolan. The Board has nominated Jeffrey G. Park, Thomas E. Price, M.D. and Mary Tolan for election as Class III Directors at the Annual Meeting.

The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the three nominees receiving the highest number of affirmative "FOR" votes will be elected as Class III Directors. Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

As set forth in our Certificate of Incorporation, the Board is currently divided into three classes with staggered, three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. The current class structure is as follows: Class I, whose current term will expire at the 2025 Annual Meeting of Stockholders; Class II, whose current term will expire at the 2026 Annual Meeting of Stockholders; and Class III, whose current term will expire at the Annual Meeting, and if elected at the Annual Meeting, whose subsequent term will expire at the 2027 Annual Meeting of Stockholders. The current Class I Directors are Sherif Abdou, M.D., Greg Kazarian and Greg Wasson; the current Class II Directors are Amir Bacchus, M.D., Mark Thierer and Lawrence B. Leisure; and the current Class III Directors are Jeffrey G. Park, Thomas E. Price, M.D. and Mary Tolan.

Our Certificate of Incorporation and Bylaws provide that the authorized number of directors may be changed from time to time by a resolution adopted by a majority of the Whole Board of Directors (as defined in our Bylaws). Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of our Board of Directors into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control of the Company. Our directors may be removed only for cause by the affirmative vote of the holders of a majority of our outstanding voting stock entitled to vote in the election of directors.

If you submit a proxy but do not indicate any voting instructions, the person named as proxy will vote the shares of Common Stock represented thereby for the election as Class III Directors of the persons whose names and biographies appear below. In the event that any of Jeffrey G. Park, Thomas E. Price, M.D. or Mary Tolan should become unable to serve, or for good cause will not serve, as a director, it is intended that votes will be cast for a substitute nominee designated by the Board or the Board may elect to reduce its size. The Board has no reason to believe that any of Jeffrey G. Park, Thomas E. Price, M.D. or Mary Tolan will be unable to serve if elected. Each of Jeffrey G. Park, Thomas E. Price, M.D. and Mary Tolan has consented to being named in this proxy statement and to serve if elected.

Vote required

The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the three nominees receiving the highest number of affirmative "FOR" votes will be elected as Class III Directors.

Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR the election of each of the below Class III Director nominees.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm

Our Audit Committee has appointed BDO USA, P.C. (“BDO”) as our independent registered public accounting firm for the fiscal year ending December 31, 2024. Our Board has directed that this appointment be submitted to our stockholders for ratification at the Annual Meeting.

BDO also served as our independent registered public accounting firm for the fiscal year ended December 31, 2023. Neither BDO nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors, providing audit and non-audit services. A representative of BDO is expected to attend the Annual Meeting and to have an opportunity to make a statement and be available to respond to appropriate questions from stockholders.

Although ratification of our appointment of BDO is not required by our Bylaws or otherwise, we value the opinions of our stockholders and believe that stockholder ratification of our appointment is a good corporate governance practice. In the event that the appointment of BDO is not ratified by the stockholders, the Audit Committee will consider this fact when it appoints the independent auditors for the fiscal year ending December 31, 2025. Even if the appointment of BDO is ratified, the Audit Committee retains the discretion to appoint a different independent auditor at any time if it determines that such a change is in the interest of the Company.

Vote Required

This proposal requires the affirmative vote of the holders of a majority of the votes cast. Abstentions and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal. Because brokers have discretionary authority to vote on the ratification of the appointment of BDO, we do not expect any broker non-votes in connection with this proposal.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR the Ratification of the Appointment of BDO USA, P.C. as our Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2024.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee has reviewed the Company's audited financial statements for the fiscal year ended December 31, 2023 and has discussed these financial statements with management and the Company's independent registered public accounting firm. The Audit Committee has also received from, and discussed with, the Company's independent registered public accounting firm the matters that they are required to provide to the Audit Committee, including the matters required to be discussed by the Public Company Accounting Oversight Board ("PCAOB") and the SEC.

The Company's independent registered public accounting firm also provided the Audit Committee with a formal written statement required by the applicable requirements of the PCAOB describing all relationships between the independent registered public accounting firm and the Company, including the disclosures required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. In addition, the Audit Committee discussed with the independent registered public accounting firm its independence from the Company.

Based on its discussions with management and the independent registered public accounting firm, and its review of the representations and information provided by management and the independent registered public accounting firm, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2023.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FEES AND OTHER MATTERS

The following table summarizes the fees billed to us by BDO, our independent registered public accounting firm, for services rendered in connection with the years ended December 31, 2023 and 2022:

Fee Category	2023	2022
Audit Fees ⁽¹⁾	\$2,863,300	\$2,900,800
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total Fees	<u>\$2,863,300</u>	<u>\$2,900,800</u>

(1) Audit fees consist of billed and unbilled fees associated with the audit of our annual consolidated financial statements and internal control over financial reporting (in 2023) included in our Annual Report on Form 10-K, review of our interim condensed consolidated financial statements included in our Quarterly Reports on Form 10-Q, statutory audits (in 2023), and comfort letter procedures and consents issued for registration statements.

Audit Committee Pre-Approval Policy and Procedures

The Audit Committee has adopted a policy (the “Pre-Approval Policy”) that sets forth the procedures and conditions pursuant to which audit and non-audit services proposed to be performed by the independent auditor may be pre-approved. The Pre-Approval Policy generally provides that we will not engage our independent auditor to render any audit, audit-related, tax or permissible non-audit service unless the service is either (i) explicitly approved by the Audit Committee (“specific pre-approval”) or (ii) entered into pursuant to the pre-approval policies and procedures described in the Pre-Approval Policy (“general pre-approval”). Unless a type of service to be provided by our independent auditor has received general pre-approval under the Pre-Approval Policy, it requires specific pre-approval by the Audit Committee. The Audit Committee has delegated to the Chair of the Audit Committee the authority to pre-approve audit services, other than with respect to the annual audit of the Company’s consolidated financial statements, and other services on behalf of the Audit Committee. To the extent that the Audit Committee pre-approves any services under its general pre-approval policy, pre-approved fee levels or budgeted amounts for all services to be provided by the independent auditor will be established annually by the Audit Committee. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval. For both types of pre-approval, the Audit Committee will consider whether such services are consistent with the SEC’s rules on auditor independence. The Audit Committee will also consider whether the independent auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Company’s business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Company’s ability to manage or control risk or improve audit quality. All such factors will be considered as a whole, and no one factor should necessarily be determinative. On a periodic basis, the Audit Committee may review and generally pre-approve the services (and related fee levels or budgeted amounts) that may be provided by the independent auditor without first obtaining specific pre-approval from the Audit Committee. The Audit Committee may revise the list of general pre-approved services from time to time, based on subsequent determinations. The Audit Committee pre-approved all services performed since the Pre-Approval Policy was adopted.

Proposal 3: Approval, on an Advisory (Non-Binding) Basis, of the Compensation of our Named Executive Officers (“Say-on-Pay Vote”)

As required by Section 14A(a)(1) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the below resolution enables our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement. This proposal, commonly known as a “Say-on-Pay Vote,” gives our stockholders the opportunity to express their views on our named executive officers’ compensation. The Say-on-Pay Vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement.

We encourage you to carefully review the “Executive Compensation” section of this Proxy Statement for additional details on the Company’s executive compensation for the fiscal year ended December 31, 2023.

As an advisory approval, this proposal is not binding upon us or our Board. However, the Compensation and Nominating Committee, which is responsible for the design and administration of our executive compensation program, values the opinions of our stockholders expressed through your vote on this proposal. The Board and Compensation Committee will consider the outcome of this vote in making future compensation decisions for our named executive officers. Accordingly, we ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, by a non-binding advisory vote, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2024 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and narrative discussion.”

Vote Required

This proposal requires the approval of the affirmative vote of the majority of the votes cast. Abstentions and broker non-votes will have no effect on this proposal.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR the resolution to approve, on an advisory (non-binding) basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2024 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and narrative discussion.

TABLE OF CONTENTS

Proposal 4: Approval, on an Advisory (Non-Binding) Basis, of the Frequency of Future Advisory Votes on the Compensation of our Named Executive Officers

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Rule 14a-21 under the Exchange Act, we request that our stockholders cast a non-binding, advisory vote regarding the frequency with which we should include in future annual proxy statements the Say-on-Pay Vote to approve the compensation of our named executive officers. The first Say-on-Pay Vote will occur at the Annual Meeting. By voting on this proposal, stockholders may indicate whether they would prefer that we provide for the Say-on-Pay Vote at future annual meetings every year, every two years or every three years. Stockholders may also abstain from the vote.

Our Board has determined that an advisory vote on executive compensation that occurs every year is the most appropriate alternative for the Company at this time. In formulating its recommendation, the Board determined that an annual advisory vote on named executive officer compensation will allow stockholders to provide their direct input on our compensation philosophy, policies and practices as disclosed in future proxy statements on a more timely and consistent basis than if the vote were held less frequently. Additionally, an advisory vote on executive compensation annually is consistent with our policy of seeking regular dialogue with our stockholders on corporate governance matters and our executive compensation philosophy, policies and practices. We understand that our stockholders may have different views as to what is the best approach for the Company, and we look forward to hearing from our stockholders on this proposal.

This “Say-on-Frequency” vote is advisory, and therefore not binding on the Company, the Board or the Compensation Committee. However, the Board and the Compensation Committee value the opinions of our stockholders and intend to consider our stockholders’ views regarding how often they should have the opportunity to approve our executive compensation programs.

Stockholders of the Company will have the opportunity to specify one of four choices for this proposal on the proxy card: (1) one year; (2) two years; (3) three years; or (4) abstain. Stockholders are not voting to approve or disapprove the Board’s recommendation. Rather, stockholders are being asked to express their preference regarding the frequency of future advisory votes to approve executive compensation.

Vote Required

The frequency that receives the affirmative vote of a majority of the votes cast will be the frequency recommended by stockholders. If no frequency receives the foregoing vote, then we will consider the option of ONE YEAR, TWO YEARS, or THREE YEARS that receives the highest number of votes cast to be the frequency recommended by stockholders. Abstentions and broker non-votes will have no effect on this proposal.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote for “ONE YEAR” for the non-binding vote on the frequency of future Say-on-Pay Votes.

General

Our Board has adopted Corporate Governance Guidelines, a Code of Business Conduct and Ethics (“Code of Ethics”), and charters for our Audit Committee and Compensation and Nominating Committee to assist the Board in the exercise of its responsibilities and to serve as a framework for the effective governance of the Company. You can access our current committee charters, our Corporate Governance Guidelines, and our Code of Ethics in the “Governance” section of the “Investor Relations” page of our website located at ir.p3hp.org.

Board Composition

Our Board currently consists of nine members: Sherif Abdou, M.D., Amir Bacchus, M.D., Gregory N. Kazarian, Lawrence B. Leisure, Jeffrey G. Park, Thomas E. Price, M.D., Mary A. Tolan, Mark Thierer and Greg Wasson. As set forth in our Certificate of Incorporation, the Board is currently divided into three classes with staggered, three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. Our Certificate of Incorporation and Bylaws provide that the authorized number of directors may be changed only by resolution adopted by a majority of the Whole Board of Directors (as defined in our Bylaws). Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of our Board into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control of our Company. Our directors may be removed only for cause by the affirmative vote of the holders of a majority in voting power of the outstanding shares of our common stock entitled to vote in the election of directors.

Chicago Pacific Letter Agreement

On April 6, 2023, in connection with the March 2023 Private Placement (as defined below), we entered into a letter agreement (the “CPF Letter Agreement”) with entities affiliated with Chicago Pacific Founders, our principal stockholder (together, the “CPF Parties”). Pursuant to the CPF Letter Agreement, for as long as the CPF Parties own 40% of our outstanding Class A common stock, Chicago Pacific Founders will be entitled to designate one additional independent member our Board, who must qualify as independent and satisfy all applicable requirements regarding service as a director under applicable law and SEC and stock exchange rules (the “CPF Designee”). The Company has agreed that it shall cause the CPF Designee to be appointed to the Board, either to fill an existing vacancy or a newly created directorship resulting from an increase in the authorized number of Directors. To the extent the CPF Designee ceases to be a member of the Board for any reason, Chicago Pacific Founders is entitled to designate a successor CPF Designee. As of the date of this proxy statement, Chicago Pacific Founders has not exercised its right to designate a director under the terms of the CPF Letter Agreement.

Director Independence

Mark Thierer, Greg Wasson, Lawrence B. Leisure, Mary Tolan, Thomas E. Price, M.D. and Jeffrey G. Park each qualify as “independent” in accordance with the listing requirements of Nasdaq. The Nasdaq independence definition includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his family members has engaged in various types of business dealings with us. In addition, as required by Nasdaq rules, our Board has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board reviewed and discussed information provided by the directors and us with regard to each director’s business and personal activities and relationships as they may relate to us and our management, including the beneficial ownership of our capital stock by each director. There are no family relationships among any of our directors or executive officers.

Executive Sessions

Our independent directors meet in executive sessions without non-independent directors or management present on a regularly scheduled basis, but no less than twice per year. Each executive session of the independent directors is presided over by Mark Thierer, the Chair of the Board.

Director Candidates

The Compensation and Nominating Committee is primarily responsible for searching for qualified director candidates for election to the Board and filling vacancies on the Board. To facilitate the search process, the Compensation and Nominating Committee may solicit current directors and executives of the Company for the names of potentially qualified candidates or ask directors and executives to pursue their own business contacts for the names of potentially qualified candidates. The Compensation and Nominating Committee may also consult with outside advisors or retain search firms to assist in the search for qualified candidates, or consider director candidates recommended by our stockholders. Once potential candidates are identified, the Compensation and Nominating Committee reviews the backgrounds of those candidates, evaluates candidates' independence from the Company and potential conflicts of interest and determines if candidates meet the qualifications desired by the Compensation and Nominating Committee for candidates for election as a director. Mary Tolan was initially recommended to serve on our Board by Chicago Pacific Founders, one of our significant stockholders. Jeffrey G. Park was initially recommended to serve on our Board by one of our non-management directors. Thomas E. Price, M.D. served on the Legacy P3 Board of Managers prior to the Business Combinations.

In evaluating the suitability of individual candidates (both new candidates and current Board members), the Compensation and Nominating Committee, in recommending candidates for election, and the Board, in approving (and, in the case of vacancies, appointing) such candidates, may take into account many factors as set forth in our Corporate Governance Guidelines, including: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; strong finance experience; relevant social policy concerns; experience relevant to the Company's industry; experience as a board member or executive officer of another publicly held company; relevant academic expertise or other proficiency in an area of the Company's operations; diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other board members; diversity of background and perspective, including, but not limited to, with respect to age, gender, race, place of residence and specialized experience; practical and mature business judgment, including, but not limited to, the ability to make independent analytical inquiries; and any other relevant qualifications, attributes or skills. The Board

evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. Stockholders may recommend individuals to the Compensation and Nominating Committee for consideration as potential director candidates by submitting the names of the recommended individuals, together with appropriate biographical information and background materials, to the Compensation and Nominating Committee, c/o Secretary, P3 Health Partners Inc., 2370 Corporate Circle, Suite 300, Henderson, Nevada 89074. In the event there is a vacancy, and assuming that appropriate biographical and background material has been provided on a timely basis, the Compensation and Nominating Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Communications from Stockholders

The Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our Secretary is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Secretary and Chair of the Board consider to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications. Stockholders who wish to send communications on any topic to the Board should address such communications to the Board of Directors in writing: c/o General Counsel & Corporate Secretary, P3 Health Partners Inc., 2370 Corporate Circle, Suite 300, Henderson, Nevada 89074.

Board Leadership Structure

Our Bylaws and Corporate Governance Guidelines provide our Board with flexibility to combine or separate the positions of Chair of the Board and Chief Executive Officer in accordance with its determination that utilizing one or the other structure would be in the best interests of our Company. We currently have an independent Chair of the Board and a majority of our Board is comprised of independent directors. Our Board believes that separation of the positions of Chair and Chief Executive Officer reinforces the independence of the Board from management, creates an environment that encourages objective oversight of management's performance and enhances the effectiveness of the Board as a whole. For these reasons, our Board has concluded that our current leadership structure is appropriate at this time.

Our Board will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate. If, in the future, the Chair of the Board is a member of management or does not otherwise qualify as independent, our Corporate Governance Guidelines provide for the appointment by the independent directors of a Lead Director. The Lead Director's responsibilities would include, but would not be limited to, presiding over all meetings of the Board at which the Chair of the Board is not present, including any executive sessions of the independent directors, approving the Board's meeting schedules and agendas, approving information sent to the Board, acting as liaison between the independent directors of the Board and the Chief Executive Officer and the Chair of the Board, and when appropriate, meeting or otherwise communicating with major stockholders or other constituencies of the Company.

Role of the Board in Risk Oversight

Risk assessment and oversight are an integral part of our governance and management processes. Our Board encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing us. Throughout the year, senior management reviews these risks with the Board at regular Board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks. Our Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board of Directors as a whole, as well as through various standing committees of

the Board that address risks inherent in their respective areas of oversight. While our Board is responsible for monitoring and assessing strategic risk exposure, including regular review of information regarding the risks associated with the Company's credit, liquidity and operations, our Audit Committee is responsible for discussing the Company's policies with respect to risk assessment and risk management, including guidelines and policies to govern the process by which the Company's exposure to risk is handled. The Audit Committee also oversees management of financial and cybersecurity risks and potential conflicts of interest. Our Compensation and Nominating Committee is responsible for overseeing the management of risks relating to the Company's compensation plans, equity incentive plans and other compensatory arrangements, reviewing the relationship between risk management policies and practices and compensation, as well as risks associated with the Company's corporate governance framework. The Board does not believe that its role in the oversight of our risks affects the Board's leadership structure.

Code of Ethics

We have adopted a written code of business conduct and ethics (the "Code of Ethics") that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics is available under the Corporate Governance section of our website at ir.p3hp.org. In addition, we intend to post on our website all disclosures that are required by law or the Nasdaq rules concerning any amendments to, or waivers from, any provision of the Code of Ethics. The reference to our website address does not constitute incorporation by reference of the information contained at or available through our website, and you should not consider it to be a part of this proxy statement.

Anti-Hedging Policy

Our Board has adopted an Insider Trading Compliance Policy, which applies to all of our directors, officers and employees. The policy prohibits our directors, officers and employees and any entities they control from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, and exchange funds, or otherwise engaging in transactions that hedge or offset, or are designed to hedge or offset, any decrease in the market value of the Company's equity securities, or that may cause an officer, director, or employee to no longer have the same objectives as the Company's other stockholders.

Compensation Committee Interlocks and Insider Information

During 2023, the members of our Compensation and Nominating Committee were Lawrence B. Leisure, Thomas E. Price, Mary Tolan and Greg Wasson, none of whom was during fiscal year 2023 an officer or employee of the Company or was formerly an officer of the Company. Related person transactions pursuant to Item 404(a) of Regulation S-K involving those who served on the Compensation and Nominating Committee during 2023 are described in "Certain Relationships and Related Person Transactions." During 2023, none of our executive officers served as a member of the board of directors or compensation committee (or other committee performing equivalent functions) of any entity that had one or more executive officers serving on our Board or Compensation and Nominating Committee.

Attendance by Members of the Board of Directors at Meetings

There were five meetings of the Board during the fiscal year ended December 31, 2023. During the fiscal year ended December 31, 2023, each director attended at least 75% of the aggregate of (i) all meetings of the Board and (ii) all meetings of the committees on which the director served during the period in which he or she served as a director.

Under our Corporate Governance Guidelines, which are available on our website at ir.p3hp.org, a director is expected to spend the time and effort necessary to properly discharge their responsibilities. Accordingly, a director is expected to regularly prepare for and attend meetings of the Board and all committees on which the director sits (including separate meetings of the independent directors), with the understanding that, on occasion, a director may be unable to attend a meeting. A director who is unable to attend a meeting of the Board or a committee of the Board is expected to notify the Chair of the Board or the Chair of the appropriate committee in advance of such meeting, and, whenever possible, participate in such meeting via teleconference in the case of an in-person meeting. We do not maintain a formal policy regarding director attendance at the Annual Meeting; however, it is expected that absent compelling circumstances directors will attend. All nine of our directors attended our 2023 Annual Meeting of Stockholders.

Equity-Based Compensation

We maintain the 2021 Incentive Award Plan (the “2021 Plan”), in order to facilitate the grant of cash and equity incentives to directors, employees (including our named executive officers) and consultants of our company and certain of our affiliates and to enable us to obtain and retain services of these individuals, which is essential to our long-term success.

In 2023, we granted Mr. Kavthekar 750,000 RSUs that vest over a four-year period following the grant date, in equal annual installments, subject to Mr. Kavthekar’s continued employment through the applicable vesting date. Drs. Abdou and Bacchus received fully-vested RSUs in satisfaction of the second installment of their transaction bonuses described in their transaction bonus agreements dated May 2022.

Benefits and Perquisites

All of our full-time employees, including our named executive officers, are eligible to participate in our health and welfare plans. In addition, we maintain a 401(k) retirement savings plan for our employees, including certain of our named executive officers, who satisfy certain eligibility requirements. Our named executive officers who are employees are eligible to participate in the 401(k) plan on the same terms as other full-time employees. The Internal Revenue Code allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) plan. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage of the employee contributions.

We generally do not provide perquisites to our named executive officers, and we do not view perquisites or other personal benefits as a significant component of our executive compensation program. We do not make gross-up payments to cover our named executive officers’ personal income taxes that may pertain to any of the compensation or perquisites paid or provided by our company.

Executive Compensation Arrangements

We have entered into offers of employment letters or employment agreements with each of our named executive officers. The material terms of these agreements are described below.

Sherif Abdou, M.D. and Amir Bacchus, M.D. 2022 Employment Agreements

We entered into employment agreements with each of Drs. Abdou and Bacchus in May 2022, which superseded their earlier employment agreements (collectively, the “2022 Employment Agreements”). The initial term of the 2022 Employment Agreements will end on January 1, 2025, and the term automatically will renew for successive one-year terms unless advance written notice of non-renewal is given by either party (such term, the “employment term”). In addition, during the employment term, for so long as Dr. Abdou or Dr. Bacchus serve as Chief Executive Officer or Chief Medical Officer, respectively, the Company will nominate the executive for re-election as a member of the board of directors. The 2022 Employment Agreements provide for a base salary (\$800,000 in the case of Dr. Abdou and \$600,000 in the case of Dr. Bacchus) and eligibility to earn an annual bonus (100% of base salary in the case of each of Drs. Abdou or Bacchus). Each of Drs. Abdou and Bacchus are entitled to participate in any employee benefit plan that the Company and its affiliates adopts, and the Company has agreed to maintain short-term and long-term disability insurance coverage for Drs. Abdou and Bacchus during the term of their respective employment.

The 2022 Employment Agreements include customary confidentiality and mutual non-disparagement provisions, as well as a standard non-compete restriction effective during employment and for 18 months thereafter and service provider/customer non-solicitation restrictions effective during employment and for 24 months thereafter.

Under the terms of the 2022 Employment Agreements, if the employment of either of Drs. Abdou or Bacchus is terminated by the Company without “cause” or by the executive for “cause” (each, as defined in the 2022 Employment Agreements), then, in addition to any accrued benefits through the date of termination, the executive will be entitled to receive the following severance payments and benefits, subject to the executive’s and the Company’s timely execution (and non-revocation) of a mutual release of claims: (i) cash severance in an aggregate amount equal to one-and-one-half times the sum of the executive’s (a) annual base salary then in effect and (b) target annual bonus amount, payable in equal monthly installments over an 18-month period following the date of termination; and (ii) Company-subsidized COBRA premiums for up to 18 months. If the executive’s employment is terminated without “cause” by the executive, then, in addition to any accrued benefits through the date of termination, the executive will be entitled to receive cash severance in an aggregate amount equal to one-and-one-half times the sum of the executive’s (i) annual base salary then in effect and (ii) target annual bonus amount, payable in equal monthly installments over an 18-month period following the date of termination. In addition, if the executive’s employment is terminated due to his death, then, in addition to any accrued benefits through the date of termination, the executive will be entitled to receive a pro-rated portion of his target bonus for the year of termination.

Atul Kavthekar Letter Agreement

In connection with his appointment as Chief Financial Officer, on November 27, 2022, the Company entered into an offer letter agreement with Mr. Kavthekar (the “Kavthekar Letter Agreement”), effective as of December 12, 2022. Under the Kavthekar Letter Agreement, Mr. Kavthekar’s annual base salary was \$450,000 and his target annual bonus was 50% of his base salary. In August 2023, Mr. Kavthekar’s annual base salary was increased to \$500,000 and his target annual bonus was increased to 75% of his base salary, effective August 6, 2023. In addition, pursuant to the Kavthekar Letter Agreement, Mr. Kavthekar received a \$50,000 signing bonus on the six month anniversary of his start date (the “Signing Bonus”). The Signing Bonus is subject to repayment by Mr. Kavthekar on a pro-rata basis if his employment terminates for any reason before the 18-month anniversary of his start date. Pursuant to his letter agreement, Mr. Kavthekar also was granted an option to purchase 600,000 shares of Class A common stock of the Company, of which 25% vested on the first anniversary of his start date, and the remaining 75% will vest in equal annual installments over the next three years on each anniversary thereafter, subject to Mr. Kavthekar’s continued employment through the applicable vesting date. In addition, if Mr. Kavthekar’s employment is terminated without cause, he will be entitled to receive a lump-sum severance payment equal to six months of his base salary, subject to his execution and non-revocation of a general release of claims and continued compliance with restrictive covenants.

Pay Versus Performance Table

As required by Section 953(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(v) of Regulation S-K, we are providing the following information regarding executive pay and performance. The table below shows pay both as reported in the Summary Compensation Table (“Summary Compensation Table Total Pay”) for the applicable fiscal year and as “compensation actually paid” (or “CAP”) for our principal executive officer (“CEO”) and as an average of all of our other named executive officers (“Non-CEO NEOs”) for the applicable fiscal year. Both Summary Compensation Table Total Pay and CAP are calculated in accordance with the requirements of Regulation S-K and may differ substantially from the manner in which the Compensation Committee makes decisions regarding executive pay.

The following table sets forth information concerning the compensation of our CEO and other named executive officers for each of the fiscal years ended December 31, 2022 and 2023, and our total shareholder return and net income (loss) for each such fiscal year:

(a)	(b)	(c)	(d)	(e)	(f)	(h)

- (1) Amounts reflect Summary Compensation Table “Total” compensation disclosed above for our CEO and, with respect to our other named executive officers, the average of the “Total” compensation disclosed for the applicable named executive officers for each corresponding year.
- (2) Amounts represent compensation actually paid to our CEO and the average compensation actually paid to our remaining named executive officers for the relevant fiscal year, as determined under SEC rules (and described below), which includes the individuals indicated in the table below for each fiscal year:

Year	CEO	Non-CEO NEOs
2023	Sherif Abdou	Amir Bacchus and Atul Kavthekar
2022	Sherif Abdou	Amir Bacchus and Atul Kavthekar

Compensation actually paid to our CEO and other named executive officers represents the “Total” compensation reported in the Summary Compensation Table for the applicable fiscal year, as adjusted as follows:

Adjustments	2022		2023	
	CEO	Average Non-CEO NEOs	CEO	Average Non-CEO NEOs
Deduction for Amounts Reported under the “Stock Awards” and “Option Awards” Columns in the Summary Compensation Table for Applicable FY	\$—	\$(663,174)	\$(330,000)	\$(893,750)

Increase/deduction for Awards Granted during Prior FY that Vested During Applicable FY, determined based on change in ASC 718 Fair Value from Prior FY End to Vesting Date	—	—	—	(34,500)
TOTAL ADJUSTMENTS	\$—	\$(360,935)	\$ —	\$(345,750)

- (3) The amounts reflect the cumulative total shareholder return (TSR) of our common stock at the end of each fiscal year. The TSR value listed in each year reflects what the cumulative value of \$100 would be if invested on December 31, 2021. TSR is calculated on a cumulative basis by dividing the sum of the cumulative amount of dividends for the measurement period, assuming dividend reinvestment (if any), and the difference between the Company’s share price at the end and the beginning of the measurement period by the Company’s share price at the beginning of the measurement period. Historical stock price performance is not necessarily indicative of future stock performance.
- (4) The dollar amounts reported represent the net income (loss) reflected in the Company’s audited financial statements for the applicable year.

Relationship Between Compensation Actually Paid and Financial Performance Measures

As shown in the table above, the CAP amount for our CEO and the average CAP amount for our other NEOs are directionally aligned with the Company's TSR. From 2022 to 2023, the CAP amount for our CEO and the average CAP amount for our other NEOs decreased. In addition, our TSR decreased from 2022 to 2023. Although our executive compensation program does not significantly rely on equity-based compensation, the CAP amount for our non-CEO NEOs is, in part, impacted by the potential value of equity-based compensation awards that fluctuates depending on the movement of our stock price.

Net income (loss) generally is a key indicator of company profitability; however, we do not use net income (loss) as a financial measure in our executive compensation program. Accordingly, there is not a direct relationship between the CAP amounts to our NEOs and net income (loss). However, as shown in the table above, our net loss significantly improved from 2022 to 2023, even though the CAP amount for our CEO and the average CAP amount for our other NEOs decreased from 2022 to 2023.

DIRECTOR COMPENSATION

We maintain a non-employee director compensation program (the “Director Compensation Program”). The Director Compensation Program provides for annual cash retainer fees and long-term equity awards for each of our non-employee directors (each, an “Eligible Director”). The Director Compensation Program consists of the following components:

Cash Compensation

- Annual Retainer:
\$65,000
- Annual Committee Chair Retainer:
 - Audit:
\$25,000
 - Compensation and Nominating:
\$25,000
- Annual Committee Member (Non-Chair) Retainer:
 - Audit:
\$12,500
 - Compensation and Nominating:
\$12,500
- Chair:
\$95,000

The annual cash retainers are paid in quarterly installments in arrears, and are pro-rated for any partial calendar quarter of service.

Equity Compensation

An Eligible Director who is serving on our Board as of the date of an annual meeting of stockholders automatically will be granted, on the date of such annual meeting, an option to purchase shares of the Company’s Class A common stock with an aggregate fair market value of \$170,000 and, in the case of the Chair of the Board, an aggregate fair market value of \$340,000 (an “Annual Grant”). Each Annual Grant will vest in full on the earlier to occur of the first anniversary of the grant date and the date of the next annual meeting following the grant date, subject to continued service. The directors were not eligible to receive Annual Grants for calendar year 2023.

However, to compensate the Eligible Directors for their significant services rendered in 2023 and anticipated additional services in 2024, in October 2023 the Board approved the grant to each Eligible Director of an award of RSUs with an aggregate fair market value of \$340,000 (\$680,000 for the Chair of the Board). The RSU awards will vest with respect to 50% of the RSUs on each of the first and second anniversaries of the October 23, 2023 grant date, subject to continued service.

Compensation under the Director Compensation Program is subject to the annual limits on non-employee director compensation set forth in the 2021 Plan.

TABLE OF CONTENTS

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to holdings of our Class A common stock and Class V common stock by:

- stockholders who beneficially owned more than 5% of the outstanding shares of our Class A common stock or Class V common stock;
- each of our named executive officers and directors;
and
- all directors and executive officers as a group.

The number of shares beneficially owned by each stockholder is determined under rules issued by the SEC and includes voting or investment power with respect to securities. These rules generally provide that a person is the beneficial owner of securities if such person has or shares the power to vote or direct the voting thereof, or to dispose or direct the disposition thereof or has the right to acquire such powers within 60 days.

As described under “Certain Relationships and Related Party Transactions,” each P3 LLC Unit (other than P3 LLC Units held by us) is redeemable from time to time at each holder’s option (subject in certain circumstances to time-based vesting requirements) for, at our election (determined solely by a majority of our directors who are disinterested), shares of our Class A common stock on a one-for-one basis, or to the extent there is cash available from a secondary offering, a cash payment equal to a volume weighted average market price of one share of Class A common stock for each P3 LLC Unit so redeemed, in each case, in accordance with the terms of the P3 LLC A&R LLC Agreement; provided that, at our election (determined by a majority of our directors who are disinterested), we may effect a direct exchange of such Class A common stock or such cash, as applicable, for such P3 LLC Units.

The P3 LLC Unitholders may, subject to certain exceptions, exercise such redemption right for as long as their P3 LLC Units remain outstanding. See “Certain Relationships and Related Person Transactions- Transactions in connection with the Business Combinations-Amended and Restated Limited Liability Company Agreement of P3 LLC.” In connection with the Business Combinations, we issued to each P3 Equityholder, for nominal consideration, one share of Class V common stock for each P3 LLC Unit such P3 Equityholder owned. As a result, the number of shares of Class V common stock listed in the table below correlates to the number of P3 LLC Units the P3 Equityholders own as of April 12, 2024.

The number of shares beneficially owned by the holders in the table below assume the maximum number of P3 LLC Units and shares of Class V common stock or shares of Class A common stock, as applicable, are released from escrow to each holder. See the disclosure in the section entitled “Certain Relationships and Related Person Transactions-Transactions in connection with the Business Combinations-Escrow Agreement.”

Unless otherwise noted, the business address of each of those listed in the table below is 2370 Corporate Circle, Suite 300, Henderson, NV 89074. We have based our calculation of the percentage of beneficial ownership on 315,903,414 shares of common stock outstanding as of April 12, 2024 consisting of 119,408,994 shares of our Class A common stock and 196,494,420 shares of our Class V common stock.

TABLE OF CONTENTS

Unless otherwise indicated, we believe, based on information provided to us, that each of the stockholders listed below has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires our officers and directors, and persons who beneficially own more than 10% of our common stock to file with the SEC reports of their ownership and changes in their ownership of our common stock. To our knowledge, based solely on review of the copies of such reports and amendments to such reports with respect to the year ended December 31, 2023 filed with the SEC and on written representations by our directors and executive officers, all required Section 16 reports under the Exchange Act for our directors, officers and beneficial owners of greater than 10% of our common stock were filed on a timely basis during the year ended December 31, 2023 other than the following, which were inadvertently filed late: (i) one Form 3 filed jointly Chicago Pacific Founders UGP III, LLC, Chicago Pacific Founders GP III, L.P. and CPF III-A PT SPV, LLC (together, the “CPF Entities”); (ii) one Form 4 reporting one transaction each by each of Thomas Price, Mark Thierer, Gregory Wasson, Mary Tolan, Jeffrey G. CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Policies and Procedures for Approval of Related Person Transactions

Our Board has adopted a written Related Person Transaction Policy, setting forth the policies and procedures for the review and approval or ratification of related person transactions. Under the policy, our legal team is primarily responsible for developing and implementing processes and procedures to obtain information regarding related persons with respect to potential related person transactions and then determining, based on the facts and circumstances, whether such potential related person transactions do, in fact, constitute related person transactions requiring compliance with the policy. If our legal team determines that a transaction or relationship is a related person transaction requiring compliance with the policy, our General Counsel is required to present to the Audit Committee all relevant facts and circumstances relating to the related person transaction. Our Audit Committee must review the relevant facts and circumstances of each related person transaction, including if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and the extent of the related person's interest in the transaction, take into account the conflicts of interest and corporate opportunity provisions of our Code of Business Conduct and Ethics, and either approve or disapprove the related person transaction. If advance Audit Committee approval of a related person transaction requiring the Audit Committee's approval is not feasible, then the transaction may be preliminarily entered into by management upon prior approval of the transaction by the chair of the Audit Committee subject to ratification of the transaction by the Audit Committee at the Audit Committee's next regularly scheduled meeting; provided, that if ratification is not forthcoming, management will make all reasonable efforts to cancel or annul the transaction. If a transaction was not initially recognized as a related person, then upon such recognition the transaction will be presented to the Audit Committee for ratification at the Audit Committee's next regularly scheduled meeting; provided, that if ratification is not forthcoming, management will make all reasonable efforts to cancel or annul the transaction. Our management will update the Audit Committee as to any material changes to any approved or ratified related person transaction and will provide a status report at least annually of all then current related person transactions. No director may participate in approval of a related person transaction for a related person.

Relationships and Transactions with Directors, Executive Officers and Significant Stockholders

The following are certain transactions, arrangements and relationships with our directors, executive officers and stockholders owning 5% or more of our outstanding common stock, or any member of the immediate family of any of the foregoing persons, since January 1, 2022, other than equity and other compensation, termination, change in control and other arrangements, which are described under "Executive Compensation."

Transactions in connection with the Business Combinations

Subscription Agreements

Contemporaneously with the execution of the Merger Agreement and the Transaction and Combination Agreement, we entered into the Subscription Agreements with the various Subscribers party thereto. Under the Subscription Agreements, the investors agreed to purchase and subscribe for, and we agreed to sell and issue to such investors, an aggregate of 20,870,307 PIPE Shares for a purchase price of \$10.00 per share, in a private placement. The primary purpose of the sale of the PIPE Shares was to raise additional capital for use in connection with the Business Combinations and to meet the minimum available cash requirement provided in the Merger Agreement.

Pursuant to the Subscription Agreements, we agreed that, within 30 calendar days after the consummation of the Business Combinations (the "Filing Deadline"), we would file with the SEC a registration statement registering the resale of the PIPE Shares, and use our commercially reasonable efforts to have that registration statement declared effective as soon as practicable after the filing thereof, but no later than the earlier of (i) the 75th calendar day following the earlier of the Filing Deadline and the initial filing date of the registration statement if the SEC notifies us that it will "review" the registration statement and (ii) the 5th business day after the date we are notified (orally or in writing, whichever is earlier) by the SEC that the registration statement will not be "reviewed" or will not be subject to further review. Our obligations to include the PIPE Shares held by a Subscriber in the registration statement is contingent upon the relevant Subscriber furnishing in writing, to us such information regarding the Subscriber, the PIPE Shares held by such Subscriber and the intended method of

disposition of the PIPE Shares, as is reasonably requested by us to effect the registration of such PIPE Shares, and must execute such documents in connection with such registration as we may reasonably request, which will be what is customary of a selling stockholder in similar situations.

Amended and Restated Limited Liability Company Agreement of P3 LLC

We operate our business through P3 LLC (as the successor of P3) and its subsidiaries. At the closing of the Business Combinations (the “Closing”), the limited liability company agreement of P3 LLC was amended and restated into the P3 LLC A&R LLC Agreement, which sets forth, among other things, the rights and obligations of the members of P3 LLC after the Closing.

Sole Manager. Pursuant to the P3 LLC A&R LLC Agreement, P3 is the sole manager of P3 LLC. As the sole manager, P3 is generally able to control all of the day-to-day business affairs and decision-making of P3 LLC without the approval of any member of P3 LLC, unless otherwise stated in the P3 LLC A&R LLC Agreement. As the sole manager of P3 LLC, P3, through its officers and directors, is responsible for all operational and administrative decisions of P3 LLC and the day-to-day management of P3 LLC’s business. Pursuant to the terms of the P3 LLC A&R LLC Agreement, P3 cannot be removed or replaced as the sole manager of P3 LLC except by its resignation, which may be given at any time by written notice to the other members of P3 LLC.

Compensation, Expenses. P3 is not entitled to compensation for its services as the manager of P3 LLC except as expressly provided for in the P3 LLC A&R LLC Agreement. P3 is entitled to reimbursement by P3 LLC for reasonable out-of-pocket expenses incurred on behalf of P3 LLC, including all expenses associated with P3 being a public company and maintaining its corporate existence.

Distributions. The P3 LLC A&R LLC Agreement requires tax distributions to be made by P3 LLC to its members on a pro rata basis, except to the extent such distributions would render P3 LLC insolvent or are otherwise prohibited by law. Tax distributions are made on a quarterly basis, to each member of P3 LLC, including P3, based on such member’s allocable share of the taxable income of P3 LLC and an assumed tax rate that will be determined by P3, as described below. The assumed tax rate for purposes of determining tax distributions from P3 LLC to its members will be the highest combined federal, state, and local tax rate that may potentially apply to a corporate or individual taxpayer (whichever is higher) resident in New York City, New York, taking into account certain assumptions and without regard to the actual final tax liability of any such member. The P3 LLC A&R LLC Agreement also allows for cash distributions to be made by P3 LLC (subject to P3’s discretion as the sole manager of P3 LLC) to its members on a pro rata basis out of cash available for distribution in accordance with the P3 LLC A&R LLC Agreement. We expect P3 LLC may make distributions out of distributable cash periodically and as necessary to enable us to cover P3’s operating expenses and other obligations, including tax liability and other obligations under the Tax Receivable Agreement, except to the extent such distributions would render P3 LLC insolvent or are otherwise prohibited by law.

Transfer Restrictions. The P3 LLC A&R LLC Agreement generally does not permit transfers of P3 LLC Units by members, except for transfers to permitted transferees, transfers pursuant to the participation right described below and other limited exceptions. The P3 LLC A&R LLC Agreement imposes additional restrictions on transfers (including on exchanges of P3 LLC Units and Class V common stock for Class A common stock) that are necessary or advisable so that P3 LLC is not treated as a “publicly traded partnership” for U.S. federal income tax purposes. In the event of a permitted transfer under the P3 LLC A&R LLC Agreement, the transferring member will be required to simultaneously transfer shares of Class V common stock held by such transferring member to such transferee equal to the number of P3 LLC Units that were transferred to such transferee in such permitted transfer.

The P3 LLC A&R LLC Agreement permits holders of P3 LLC Units to participate in a tender offer, share exchange offer, issuer bid, take-over bid, recapitalization or similar transaction with respect to Class A common stock that is approved by our board of directors by delivering a participation redemption notice, which shall be effective immediately prior to, and contingent upon, the consummation of such transaction.

Permitted transferees of P3 LLC Units will be required to assume all of the obligations of a transferring member with respect to the transferred P3 LLC Units by executing a joinder to the P3 LLC A&R LLC Agreement, and such transferee shall be bound by any limitations and obligations under the P3 LLC A&R LLC Agreement.

TABLE OF CONTENTS

Maintenance of One-to-One Ratios. The P3 LLC A&R LLC Agreement includes provisions intended to ensure that P3 at all times maintains (i) a one-to-one ratio between the number of P3 LLC Units owned, directly or indirectly, by P3 and the aggregate number of shares of Class A common stock issued and outstanding, and (ii) a one-to-one ratio between the aggregate number of P3 LLC Units owned, directly or indirectly, by the members of P3 LLC (other than P3 and its subsidiaries) and the number of shares of Class V common stock issued and outstanding. These ratio requirements disregard (1) shares of Class A common stock issuable under unvested equity incentive awards granted by P3, (2) treasury stock, and (3) preferred stock or other debt or equity securities (including warrants, options or rights) issued by P3 that are convertible into or exercisable or exchangeable for shares of Class A common stock, except to the extent P3 has contributed the net proceeds from such other securities, including any exercise or purchase price payable upon conversion, exercise or exchange thereof, to the equity capital of P3 LLC.

Excluding certain warrants, options or similar instruments granted pursuant to any equity plan or stock option plan in effect on, or adopted after, the date of the P3 LLC A&R LLC Agreement by P3 LLC or P3, in the event any holder of P3 Warrants exercises a P3 Warrant, then P3 will cause a corresponding exercise of a warrant to purchase P3 LLC Units with similar terms held by P3, such that the number of shares of Class A common stock issued in connection with the exercise of such P3 Warrants will be matched with a corresponding number of P3 LLC Units issued by P3 LLC to P3. In the event that a P3 Warrant is redeemed, P3 LLC will redeem a warrant to purchase P3 LLC Units with similar terms held by P3.

Issuance of P3 LLC Units upon Exercise of Options or Issuance of Other Equity Compensation The P3 LLC A&R LLC Agreement contemplates the manner in which various types of equity incentive awards will be treated by P3 and P3 LLC.

Dissolution. The P3 LLC A&R LLC Agreement provides that the consent of P3, as the manager of P3 LLC, and members holding a majority of the P3 LLC Units then outstanding (excluding P3 LLC Units held directly or indirectly by P3) will be required to voluntarily dissolve P3 LLC. In addition to a voluntary dissolution, P3 LLC will be dissolved upon the entry of a decree of judicial dissolution or other circumstances in accordance with Delaware law. Upon a dissolution event, the proceeds of a liquidation will be distributed in the following order: (1) first, to pay the expenses of winding up P3 LLC; (2) second, to pay debts, liabilities and obligations owed to creditors of P3 LLC other than members; (3) third, to pay debts, liabilities and obligations owed to the members (other than payments or distributions owed to the members in their capacity as such pursuant to the P3 LLC A&R LLC Agreement); and (4) fourth, to the members pro-rata in accordance with their respective percentage ownership interests in P3 LLC (as determined based on the number of P3 LLC Units held by a member relative to the aggregate number of all outstanding P3 LLC Units).

Confidentiality. Each member of P3 LLC (other than P3) agrees to maintain the confidentiality of P3 LLC's confidential information. This obligation excludes information (i) that is independently developed by the members without use of or reference to such confidential information, (ii) that is or becomes generally available to the public other than as a direct or indirect result of a disclosure by a member or its affiliates or representatives, (iii) that is or becomes available to a member from a source other than P3, P3 LLC, any of its subsidiaries or their respective representatives, provided that such source is not, and was not, known by such member to be bound by a confidentiality agreement with, or any other confidentiality obligation owed to P3, P3 LLC or any of their respective affiliates or representatives, or (iv) approved for release by written authorization of the Chief Executive Officer, the Chief Financial Officer or the General Counsel of either P3 LLC or P3.

Fiduciary Duties; Indemnification. The P3 LLC A&R LLC Agreement provides (i) that the manager of P3 LLC owes P3 LLC and its members the same fiduciary duties as the manager would owe to a Delaware corporation and its stockholders if such manager were a member of the board of directors of such corporation, and (ii) that the officers of P3 LLC owe P3 LLC and its members duties of the type owed by the officers of a Delaware corporation to such corporation and its stockholders. The P3 LLC A&R LLC Agreement also provides for indemnification to the fullest extent permitted by law of (1) the manager (and its directors, officers, employees and agents), (2) officers, employees and agents of P3 LLC and (3) persons serving at P3 LLC's request as a manager, officer, director, employee or agent of another entity, in each case, subject to certain exceptions, including in the case of fraud, willful misconduct, knowing violations of law and breaches of representations, warranties or covenants under the P3 LLC A&R LLC Agreement.

TABLE OF CONTENTS

P3 LLC Unit Exchange Right. The P3 LLC A&R LLC Agreement provides a redemption right to the members of P3 LLC (other than P3 and its subsidiaries) which entitles them to have their P3 LLC Units redeemed for, at P3's election, newly-issued shares of Class A common stock on a one-for-one basis, or a cash payment equal to the volume weighted average market price of one share of Class A common stock for each P3 LLC Unit so redeemed. As holders of P3 LLC Units exercise their redemption rights, P3's economic interest in P3 LLC will be correspondingly increased and the number of shares of Class V common stock outstanding will be correspondingly reduced.

Each member's (other than P3 and its subsidiaries) redemption rights are subject to certain customary limitations, including the expiration of any contractual lock-up period relating to the shares of Class A common stock that may be applicable to such member, and may be conditioned on the closing of an underwritten distribution of the shares of Class A common stock that may be issued in connection with such proposed redemption.

Whether by redemption or exchange, P3 is obligated to ensure that at all times the number of P3 LLC Units that P3 owns equals the number of outstanding shares of Class A common stock (subject to certain exceptions for treasury shares and shares underlying certain convertible or exchangeable securities).

Amendments. In addition to certain other requirements, P3's prior written consent, as manager, and the prior written consent of members holding a majority of the P3 LLC Units then outstanding and entitled to vote (excluding P3 LLC Units held directly or indirectly by P3) will generally be required to amend or modify the P3 LLC A&R LLC Agreement.

Tax Receivable Agreement

In connection with the Business Combinations, we entered into the Tax Receivable Agreement (the "TRA") with certain of the P3 Equityholders and P3 LLC. The TRA provides for the payment by us to the P3 Equityholders of 85% of the amount of tax benefits, if any, that we actually realize, or in some circumstances are deemed to realize, as a result of the transactions described above, including tax benefits attributable to payments made under the TRA (such as deductions attributable to imputed interest deemed paid pursuant to the TRA). P3 LLC has in effect an election under Section 754 of the Code effective for each taxable year in which a redemption or exchange of P3 LLC Units for shares of Class A common stock or cash occurs. These TRA payments are not conditioned upon any continued ownership interest in either P3 LLC or us by the P3 Equityholders. The rights of the P3 Equityholders under the TRA are assignable to transferees, including transferees of the P3 LLC Units (other than us or P3 LLC as transferee pursuant to subsequent redemptions or exchanges of the transferred P3 LLC Units). We expect to benefit from the remaining 15% of tax benefits, if any, that we may actually realize.

Pursuant to our election under Section 754 of the Code, we expect to obtain an increase in our share of the tax basis in the net assets of P3 LLC when its units are redeemed or exchanged. We intend to treat any redemptions and exchanges of P3 LLC units as direct purchases of the units for U.S. federal income tax purposes. These increases in tax basis may reduce the amounts that we would otherwise pay in the future to various tax authorities. They may also decrease gains (or increase losses) on future dispositions of certain capital assets to the extent the tax basis is allocated to those capital assets.

As non-controlling interest holders exercise their right to exchange their units in P3 LLC, a TRA liability may be recorded based on 85% of the estimated future tax benefits that the Company may realize as a result of increases in the tax basis of P3 LLC. The amount of the increase in the tax basis, the related estimated tax benefits, and the related TRA liability to be recorded will depend on the price of the Company's Class A common stock at the time of the relevant redemption or exchange.

The actual Basis Adjustments, as well as any amounts paid to the P3 Equityholders under the TRA, varies depending on a number of factors, including:

- *the price of shares of Class A common stock in connection at the time of redemptions or exchanges*—the Basis Adjustments, as well as any related increase in any tax deductions, are directly related to the price of shares of Class A common stock at the time of each redemption or exchange;
- *the timing of any subsequent redemptions or exchanges*—for instance, the increase in any tax deductions will vary depending on the fair market value, which may fluctuate over time, of the depreciable or amortizable assets of P3 LLC at the time of each redemption or exchange or distribution (or deemed distribution);

TABLE OF CONTENTS

- *the extent to which such redemptions or exchanges are taxable*—if a redemption or exchange is not taxable for any reason, the Basis Adjustments, as well as any related increase in tax deductions, relating to such redemption or exchange will not be available; and
- *the amount and timing of our income*—the TRA generally requires us to pay 85% of the tax benefits as and when those benefits are treated as realized under the terms of the TRA. If we do not have taxable income, we generally will not be required (absent a change of control or other circumstances requiring an early termination payment) to make payments under the TRA for that taxable year because no tax benefits will have been actually realized. However, any tax benefits that do not result in realized tax benefits in a given taxable year will likely generate tax attributes that may be utilized to generate tax benefits in previous or future taxable years. The utilization of any such tax attributes generally will result in payments under the TRA.

Decisions made by us in the course of running our business, such as with respect to mergers, asset sales, other forms of business combinations, or other changes in control, may influence the timing and amount of payments that are received by the P3 Equityholders under the TRA. For example, the earlier disposition of assets following a transaction that results in a Basis Adjustment will generally accelerate payments under the TRA and increase the present value of such payments.

For purposes of the TRA, cash savings in income tax are computed by comparing our actual income tax liability (subject to certain assumptions relating to state and local income taxes) to the amount of such taxes that we would have been required to pay had there been no Basis Adjustments and had the TRA not been entered into. The TRA generally applies to each of our taxable years, beginning with the first taxable year ending after the Business Combinations. There is no maximum term for the TRA; however, the TRA may be voluntarily terminated by us pursuant to an early termination procedure and shall be terminated upon the occurrence of certain mergers, asset sales, other forms of business combinations, or other changes of control or our material breach of our material obligations under the TRA under certain circumstances, and in each case we will be obligated to pay the P3 Equityholders an agreed upon amount equal to the estimated present value of the remaining payments to be made under the agreement (calculated based on certain assumptions, including regarding tax rates and utilization of the Basis Adjustments). However, our ability to make such payment may be subject to various limitations and restrictions, such as restrictions on distributions that would either violate any contract or agreement to which we or P3 LLC are then a party, or any applicable law.

The payment obligations under the TRA are our obligations and not of P3 LLC. Although the actual timing and amount of any payments that may be made under the TRA will vary, we expect that the payments that we may be required to make to the P3 Equityholders will be substantial. Any payments made by us to the P3 Equityholders under the TRA will generally reduce the amount of cash that might have otherwise been available to us. To the extent that we are unable to make payments under the TRA for any reason, the unpaid amounts will be deferred and will accrue interest until paid. Our failure to make any payment required under the TRA (including any accrued and unpaid interest) within 90 calendar days of the date on which the payment is required to be made will constitute a material breach of a material obligation under the TRA, which will generally terminate the TRA and accelerate payments thereunder, unless the applicable payment is not made because (i) we are prohibited from making such payment under the terms of the TRA or the terms governing certain of our indebtedness or (ii) we do not have, and despite using commercially reasonable efforts cannot obtain, sufficient funds to make such payment.

The TRA provides that if (i) we materially breach any of our material obligations under the TRA, (ii) certain mergers, asset sales, other forms of business combinations, or other changes of control were to occur, or (iii) we elect an early termination of the TRA, then our obligations, or our successor's obligations, under the TRA would accelerate and become due and payable, based on certain assumptions, including an assumption that we would have sufficient taxable income to fully utilize all potential future tax benefits that are subject to the TRA, and an assumption that, as of the effective date of the acceleration, any P3 Equityholder that has P3 LLC Units that have not been exchanged is deemed to have exchanged such P3 LLC Units for the fair market value of the shares of Class A common stock or the amount of cash that would be received by such P3 Equityholder had such P3 LLC Units actually been exchanged on such date, whichever is lower. However, as noted above, our ability to make such payments may be limited by restrictions on distributions that would either violate any contract or agreement to which we or P3 LLC are then a party, or any applicable law.

TABLE OF CONTENTS

As a result of the foregoing, we would be required to make an immediate cash payment equal to the estimated present value (calculated based on a discount rate equal to 10%) of the anticipated future tax benefits that are the subject of the TRA based on certain assumptions, which payment may be made significantly in advance of the actual realization, if any, of those future tax benefits and, therefore, we could be required to make cash payments to the P3 Equityholders that are greater than the specified percentage of the actual benefits we ultimately realize in respect of the tax benefits that are subject to the TRA. In these situations, our obligations under the TRA could have a material adverse effect on our liquidity and could have the effect of delaying, deferring or preventing certain mergers, asset sales, other forms of business combinations, or other changes of control. We cannot assure that we will be able to finance our obligations under the TRA or that we will be able to make the immediate cash payment described above to the extent our or P3 LLC's ability to make such payment is restricted as described above.

Payments under the TRA are based on the tax reporting positions that we determine, and the IRS or another tax authority may challenge all or part of the Basis Adjustments, as well as other related tax positions we take, and a court could sustain any such challenge. If the outcome of any such challenge to any Basis Adjustments or the deduction of imputed interest deemed paid pursuant to the TRA would reasonably be expected to materially affect a recipient's payments under the TRA, then we will not be permitted to settle or to fail to contest such challenge without the consent (not to be unreasonably withheld or delayed) of each P3 Equityholder, and any such restrictions will apply for as long as the TRA remains in effect. We will not be reimbursed for any cash payments previously made to the P3 Equityholders pursuant to the TRA if any tax benefits initially claimed by us are subsequently challenged by a taxing authority and ultimately disallowed. Instead, in such circumstances, any excess cash payments made by us to the P3 Equityholders will be netted against any future cash payments that we might otherwise be required to make under the terms of the TRA. However, we might not determine that we have effectively made an excess cash payment to the P3 Equityholders for a number of years following the initial time of such payment. As a result, it is possible that we could make cash payments under the TRA that are substantially greater than our actual cash tax savings.

Payments are generally due under the TRA within a specified period of time following the filing of our tax return for the taxable year with respect to which the payment obligation arises, although interest on such payments will begin to accrue at a rate of LIBOR *plus* 100 basis points from the due date (without extensions) of such tax return. Any late payments that may be made under the TRA will continue to accrue interest at LIBOR (or alternate replacement rate) *plus* 500 basis points until such payments are made, including any late payments that we may subsequently make because we did not have enough available cash to satisfy our payment obligations at the time at which they originally arose or were prohibited from making such payments under the terms governing certain of our indebtedness (although such payments are not considered late payments and therefore would accrue interest at the lower interest if we make such payments promptly after such limitations are removed). Subject to certain exceptions as noted above, our failure to make any payment required under the TRA (including any accrued and unpaid interest) within 90 calendar days of the date on which the payment is required to be made will constitute a material breach of a material obligation under the TRA under certain circumstances, in which case, the TRA will terminate and future payments thereunder will be accelerated, as noted above.

Registration Rights and Lock-Up Agreement

At the Closing, the Sponsors, the Blocker Sellers, certain P3 Equityholders, Brian Gamache, John Svoboda and Robert Zimmerman (collectively, the "Holders") and Foresight entered into the Registration Rights and Lock-Up Agreement. The Registration Rights and Lock-Up Agreement (i) amends, restates and replaces the registration rights agreement entered into by Foresight with the Sponsors, Brian Gamache, John Svoboda and Robert Zimmerman on February 9, 2021, and (ii) provides registration rights to the Holders pursuant to which P3 will be required to file a shelf registration statement to register the resale shares of Class A common stock or any other equity security held by the Holders upon the Closing, including the shares of Class A common stock issuable upon the future redemption of P3 LLC Units and shares of Class V common stock by such Holders and the Private Placement Units (including the Foresight Warrants and Class A common stock included therein and the Class A common stock issuable upon exercise of the Foresight Warrants included therein), in each case held by them upon the Closing (collectively, "Registrable Securities").

In addition, subject to certain requirements and customary conditions, the Holders may demand, at any time or from time to time, that Foresight file a shelf registration statement on Form S-3, or if Form S-3 is not

TABLE OF CONTENTS

available, a Form S-1 to register the Registrable Securities held by such Holders. The Registration Rights and Lock-Up Agreement also provides the Holders with “piggy-back” registration rights, subject to certain requirements and customary conditions.

Subject to certain exceptions, the Registration Rights and Lock-Up Agreement further provides for the Class A common stock, the Class V common stock and the Class A common stock issuable upon the future exchange of P3 LLC Units and shares of Class V common stock held by the P3 Equityholders and the Blocker Sellers after the Closing to be locked-up for a period of six months following the Closing, while the Class A common stock received by the Sponsors upon conversion of the Class B common stock on the Closing Date will be locked-up for a period of one year following the Closing, subject to earlier release upon (i) the date on which the last reported sale price of the Class A common stock equals or exceeds \$12.00 per share for any 20 trading days within any 30-day trading period commencing at least 150 days after the Closing or (ii) the date on which the Company completes a liquidation, merger, capital stock exchange or other similar transaction after the Closing that results in all of the Company’s stockholders having the right to exchange their shares of Class A common stock for cash, securities or other property.

Except as set forth in the Registration Rights and Lock-Up Agreement, P3 is required to bear all expenses incurred in connection with the filing of any such registration statements and any such offerings, other than underwriting discounts and commissions on the sale of Registrable Securities, brokerage fees, underwriter marketing costs and, except as specified in the Registration Rights and Lock-Up Agreement, the fees and expenses of counsel to holders of Registrable Securities. The Registration Rights and Lock-Up Agreement also includes customary provisions regarding indemnification and contribution.

Escrow Agreement

On December 3, 2021, we entered into an escrow agreement (the “Escrow Agreement”) with P3 Health Group Holdings, P3 LLC, Hudson Vegas Investment SPV, LLC (the “Class D Member”), Mary Tolan and Sherif Abdou, M.D. (the “Unitholder Representatives”) and PNC Bank, N.A. (“Escrow Agent”). Pursuant to the Escrow Agreement, certain of the consideration for the Business Combinations was set aside in an escrow until resolution of the disputes described below.

At Closing, (i) cash, certain units of P3 LLC (“P3 LLC Units”) and shares of Class V common stock and Class A common stock were placed in escrow, to be allocated upon resolution of the dispute regarding the Class D purchase option described in our Annual Report on Form 10-K the fiscal year ended December 31, 2022, as amended in the section titled “Business-Legal Proceedings-Class D Dispute” (the “Class D Dispute”), and (ii) certain members of P3 LLC (the “Contributing P3 Equityholders”) contributed cash, and Hudson contributed P3 LLC Units and shares of Class V common stock, into escrow, to be allocated upon resolution of a dispute regarding Hudson’s right to a preference on the cash portion of the Merger consideration (the “Cash Preference Dispute”). If the Class D Dispute is (i) resolved in favor of Hudson, Hudson will receive cash, the P3 LLC Units and shares of Class V common stock escrowed for the Class D Dispute and the shares of Class A common stock escrowed for the Class D Dispute will be retired or (ii) resolved in favor of the former members of P3 Health Group Holdings (other than Hudson), the former members of P3 Health Group Holdings (including Hudson) will receive cash, the P3 LLC Units and Class V common stock or shares of Class A common stock, as applicable, escrowed for the Class D Dispute. If the Cash Preference Dispute is (i) resolved in favor of Hudson, the Contributing P3 Equityholders will receive the P3 LLC Units and shares of Class V common stock escrowed for the Cash Preference Dispute or shares of Class A common stock, as applicable, and Hudson will receive cash, or (ii) resolved in favor of the former members of P3 Health Group Holdings (other than Hudson), Hudson will receive the P3 LLC Units and shares of Class V common stock escrowed for the Cash Preference Dispute and the Contributing P3 Equityholders will receive cash.

In the Escrow Agreement, the parties authorized the Unitholder Representatives to direct the voting power of any of the securities in escrow, as applicable, on any matter put to a vote of the applicable securityholders in accordance with the proportional vote totals that such matter received by all voting securities other than those in escrow.

Leisure, serve as Managing Partners of Chicago Pacific Founders, and one member of P3's board of directors, Greg Kazarian, serves as an Operating Partner of Chicago Pacific Founders. Beginning in 2020, P3 entered into a Full-Risk capitation agreement with Atrio pursuant to which P3 is delegated to perform services on behalf of Atrio's members assigned to P3, including provider network credentialing, patient authorizations and medical management (care management, quality management and utilization management). In 2023, P3 earned capitation revenue from Atrio assigned members of \$192.6 million and management fees of \$2.7 million, and paid claims of \$197.6 million for Atrio assigned members. In 2022, P3 earned capitation revenue from Atrio assigned members of \$158.9 million and management fees of \$2.3 million, and paid claims of \$178.3 million for Atrio assigned members.

Unsecured Promissory Note and Warrant Issuance

On December 13, 2022, P3 LLC entered into a financing transaction with VGS, consisting of the issuance of the VGS Promissory Note, which provided for funding to us of up to \$40.0 million, and the issuance of the VGS Warrants to purchase 429,180 shares of our Class A common stock. VGS is a Delaware limited liability company managed by Chicago Pacific Founders GP, L.P., an affiliate of one of our principal stockholders. The members of VGS include Greg Wasson and Mark Thierer, each of whom serves on our Board, Sherif Abdou, M.D., our Chief Executive Officer and director, and Amir Bacchus, M.D., our Chief Medical Officer and director. Mary Tolan, Lawrence B. Leisure and Greg Kazarian, each of whom serves on our Board, hold interests in Chicago Pacific Founders, GP, L.P. The entry into the VGS Promissory Note and the issuance of the VGS Warrants was approved by a committee of our independent, disinterested directors. For additional information on the VGS Promissory Note and Warrants, see Item 7. "Management's Discussion and Analysis of Financial Condition and Results of Operations-Liquidity and Capital Resources" of the Form 10-K for the fiscal year ended December 31, 2023 (the "2023 Form 10-K").

March 2023 Private Placement

On March 30, 2023, we entered into a Securities Purchase Agreement (the "Purchase Agreement") with the purchasers named therein (the "Purchasers") pursuant to which, on April 6, 2023, we issued 79,912,635 units (the "Units") at a price of \$1.1180 per unit for institutional investors, and a purchase price of \$1.1938 per unit for employees and consultants. Each Unit consists of one share of Class A common stock, and 0.75 of a warrant to purchase one share of common stock at an exercise price of \$1.13. Certain institutional investors elected to receive pre-funded warrants to purchase Class A common stock in lieu of a portion of their Class A common stock. In total, we sold (i) an aggregate of 69,157,145 shares of Class A common stock (the "Shares"), (ii) warrants to purchase an aggregate of 59,934,479 shares of Class A common stock (the "Common Warrants"), and (iii) pre-funded warrants to purchase an aggregate of 10,755,490 shares of Class A common stock (the "Pre-Funded Warrants" and, together with the Common Warrants, the "Warrants"), to the Purchasers for aggregate gross proceeds of approximately \$89.5 million (collectively, the "March 2023 Private Placement"). Each Common Warrant has an exercise price per share of Common Stock equal to \$1.13 per share. Each Pre-Funded Warrant has an exercise price per share of Common Stock equal to \$0.0001 per share. The exercise price and the number of shares of Common Stock issuable upon exercise of each Warrant are subject to appropriate adjustments in the event of certain stock dividends and distributions, stock splits, stock combinations, reclassifications or similar events affecting the Common Stock.

Entities affiliated with Chicago Pacific Founders purchased an aggregate of 52,751,725 shares of Class A common stock, 10,755,490 Pre-Funded Warrants and 47,630,413 Warrants for aggregate gross proceeds of approximately \$71 million. Chicago Pacific Founders may not exercise any portion of any Warrant, which, upon giving effect to such exercise, would cause the aggregate number of shares of Class A common stock beneficially owned by Chicago Pacific Founders (together with its affiliates) to exceed 49.99% of the number of shares of Class A common stock and Class V common stock issued and outstanding immediately after giving effect to the exercise, as such percentage ownership is determined in accordance with the terms of the Warrants. As a result, Chicago Pacific Founders' ownership of shares does not represent more than 49.99% of the aggregate voting power of our Class A common stock and Class V common stock.

Amir Bacchus, M.D., our Chief Medical Officer and a director, and Charlee Co LLC, an entity of which Dr. Bacchus is the managing member, purchased 1,005,193 and 251,298 Units, respectively, in the March 2023 Private Placement at a purchase price of approximately \$1.1938 per Unit.

March 2023 Registration Rights Agreement

On April 6, 2023, in connection with the Purchase Agreement, we entered into a Registration Rights Agreement (the “March 2023 Registration Rights Agreement”) with the Purchasers pursuant to which we agreed to prepare and file a registration statement with the SEC within 30 days after the closing of the March 2023 Private Placement for purposes of registering the resale of the Shares and shares of Class A common stock issuable upon exercise of the Warrants. We agreed to use its reasonable best efforts to cause this registration statement to be declared effective by the SEC within 120 days after the date thereof. The March 2023 Registration Rights Agreement also contains certain shelf takedown and piggyback rights. We also agreed, among other things, to indemnify the Purchasers, their officers, directors, members, employees and agents, successors and assigns under the registration statement from certain liabilities and to pay all fees and expenses incident to the Company’s obligations under the March 2023 Registration Rights Agreement.

Chicago Pacific Letter Agreement

Pursuant to the CPF Letter Agreement, (i) for as long as the CPF Parties own 40% of the Company’s outstanding Class A common stock, Chicago Pacific Founders will be entitled to designate one additional independent member of our Board, who must be independent and satisfy all applicable requirements regarding service as a director under applicable law and SEC and stock exchange rules, (ii) for as long as the CPF Parties own 40% of our outstanding Class A common stock, Chicago Pacific Founders will be entitled to certain information rights and protective provisions, and (iii) subject to the terms of the CPF Letter Agreement, the CPF Parties agreed to a standstill restriction from the date of the closing of the March 2023 Private Placement to June 30, 2024 that limits the ownership of the CPF Parties to 49.99% of our Class A common stock and Class V common stock.

Mary Tolan, Lawrence Leisure and Greg Kazarian, each of whom serves on our Board, holds interests in Chicago Pacific Founders GP III, L.P. The entry into the VGS 2 Promissory Note was approved by a committee of independent, disinterested directors of the Company.
