Item 7.01 Regulation FD Disclosure.

On May 25, 2021, Foresight Acquisition Corp., a Delaware corporation (“Foresight”) and P3 Health Group Holdings, LLC, a Delaware limited liability company (“P3”), jointly issued a press release announcing the execution of an agreement and plan of merger (the “Merger Agreement”) among Foresight, P3, and FAC Merger Sub LLC, a Delaware limited liability company (“NewCo”), pursuant to which, upon the satisfaction or waiver of the conditions set forth in the Merger Agreement, P3 will merge with and into NewCo, with NewCo as the surviving company. Through the foregoing merger and other related transactions, immediately after the closing, Foresight and NewCo will be organized in an “Up-C” structure in which all of the P3 operating subsidiaries will be held directly or indirectly by NewCo and Foresight will directly own approximately 30% of NewCo and will become the sole manager of NewCo. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Attached as Exhibit 99.2 to this Current Report on Form 8-K and incorporated herein by reference is the form of presentation to be used by Foresight in presentations for certain of Foresight’s stockholders and other persons regarding the proposed transactions.

The foregoing exhibits and the information set forth therein shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise be subject to the liabilities of that section, nor shall it be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act.

Additional Information and Where to Find It

The proposed business combination will be submitted to stockholders of Foresight for their consideration. Foresight intends to file a proxy statement (the “Proxy Statement”) with the U.S. Securities and Exchange Commission (the “SEC”) to be distributed to Foresight’s stockholders in connection with Foresight’s solicitation for proxies for the vote by Foresight’s stockholders in connection with the proposed business combination and other matters as described in the Proxy Statement. After the definitive Proxy Statement has been filed, Foresight will mail the definitive Proxy Statement and other relevant documents to its stockholders as of the record date established for voting on the proposed business combination. Foresight’s stockholders and other interested persons are advised to read, once available, the preliminary Proxy Statement and any amendments thereto and, once available, the definitive Proxy Statement, in connection with Foresight’s solicitation of proxies for its special meeting of stockholders to be held to approve, among other things, the proposed business combination, because these documents will contain important information about Foresight, P3 and the proposed business combination. Stockholders may also obtain a copy of the preliminary or definitive Proxy Statement, once available, as well as other documents filed with the SEC regarding the proposed business combination and other documents filed with the SEC by Foresight, without charge, at the SEC’s website located at www.sec.gov or by directing a request to Gateway Investor Relations, (949) 574-3860, FORE@gatewayir.com.

No Offer or Solicitation

This Current Report on Form 8-K shall not constitute a “solicitation” as defined in Section 14 of the Exchange Act. This Current Report on Form 8-K does not constitute an offer, or a solicitation of an offer, to buy or sell any securities, investment or other specific product, or a solicitation of any vote or approval, nor shall there be any sale of securities, investment or other specific product in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. Any private offering of securities in connection with the business combination (the “Securities”) will not be registered under the Securities Act, and will be offered as a private placement to a limited number of “qualified institutional buyers” (as defined in Rule 144A under the Securities Act) or institutional “accredited investors” (within the meaning of Rule 501(a) under the Securities Act). Accordingly, until registered for resale, the Securities must continue to be held until a subsequent disposition is exempt from the registration requirements of the Securities Act. Investors should consult with their counsel as to the applicable requirements for a purchaser to avail itself of any exemption from registration under the Securities Act. The transfer of the Securities may also be subject to conditions set forth in an agreement under which they are to be issued. Investors should be aware that they might be required to bear the final risk of their investment for an indefinite period of time. Neither P3 nor Foresight is making an offer of the Securities in any state or jurisdiction where the offer is not permitted.

Participants in Solicitation

Foresight, P3 and certain of their respective directors, executive officers and other members of management and employees may, under SEC rules, be deemed to be participants in the solicitations of proxies from Foresight's stockholders in connection with the proposed business combination. Information regarding the persons who may, under SEC rules, be deemed participants in the solicitation of Foresight's stockholders in connection with the proposed business combination will be set forth in the Proxy Statement when it is filed with the SEC. You can find more information about Foresight's directors and executive officers in Foresight's Annual Report. Additional information regarding the participants in the proxy solicitation and a description of their direct and indirect interests will be included in the Proxy Statement when it becomes available. Stockholders, potential investors and other interested persons should read the Proxy Statement carefully when it becomes available before making any voting or investment decisions. You may obtain free copies of these documents from the sources indicated above.

Cautionary Statement Regarding Forward-Looking Statements

The information in this Current Report on Form 8-K includes "forward-looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as "estimate," "plan," "project," "forecast," "intend," "will," "expect," "anticipate," "believe," "seek," "target" or other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to, statements regarding estimates and forecasts of financial and performance metrics and expectations and timing related to potential benefits, terms and timing of the transaction. These statements are based on various assumptions, whether or not identified in this Current Report on Form 8-K, and on the current expectations of P3 and Foresight's management and are not predictions of actual performance. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of P3 and Foresight. These forward-looking statements are subject to a number of risks and uncertainties, including changes in domestic and foreign business, market, financial, political and legal conditions; the inability of the parties to successfully or timely consummate the proposed business combination, including the risk that any required regulatory approvals are not obtained, are delayed or are subject to unanticipated conditions that could adversely affect the combined company or the expected benefits of the proposed business combination or that the approval of the stockholders of Foresight or P3 is not obtained; failure to realize the anticipated benefits of the proposed business combination; risks relating to the uncertainty of the projected financial information with respect to P3; future global, regional or local economic and market conditions; the development, effects and enforcement of laws and regulations; P3's ability to manage future growth; P3's ability to develop new products and solutions, bring them to market in a timely manner, and make enhancements to its platform; the effects of competition on P3's future business; the amount of redemption requests made by Foresight's public stockholders; the ability of Foresight or the combined company to issue equity or equity-linked securities in connection with the proposed business combination or in the future; the outcome of any potential litigation, government and regulatory proceedings, investigations and inquiries; and those factors discussed in Foresight's Annual Report on Form 10-K for the year ended December 31, 2021 and filed with the SEC on April 6, 2021 (the "Annual Report") under the heading "Risk Factors," and other documents of Foresight filed, or to be filed, with the SEC. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither P3 nor Foresight presently know or that P3 and Foresight currently believe are not material that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect P3's and Foresight's expectations, plans or forecasts of future events and views as of the date of this Current Report on Form 8-K. P3 and Foresight anticipate that subsequent events and developments will cause P3's and Foresight's assessments to change. However, while P3 and Foresight may elect to update these forward-looking statements at some point in the future, P3 and Foresight specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing P3's and Foresight's assessments as of any date subsequent to the date of this Current Report on Form 8-K. Accordingly, undue reliance should not be placed upon the forward-looking statements.

Item 8.01 Other Events.

Title: Chief Executive Officer

P3 Health Partners to Become Publicly Traded via Merger with Foresight Acquisition Corp.

- Transaction to Publicly List P3 Health Partners, a Patient-Centered and Physician-Led Population Health Management Company Delivering Value-Based Care—

- Estimated Post-Transaction Enterprise Value of \$2.3 Billion With Over \$180 Million in Cash to Fund Growth -

- Transaction Includes an Over \$200 Million Fully Committed Common Stock Private Investment at \$10 Per Share Including Participation From Funds and Accounts Managed by Fidelity Management & Research Company LLC and Janus Henderson Investors -

New York, NY—May 25, 2021 – P3 Health Partners (“P3”) and Foresight Acquisition Corp. (NASDAQ: FORE) (“Foresight”) have entered into a definitive agreement which would result in P3 becoming a publicly listed company.

Upon closing of the transaction, the combined entity will be renamed P3 Health Partners and is expected to remain listed on the Nasdaq Capital Market.

P3 is a patient-centered and physician-led population health management company that supports providers, physicians, and practices in their journey from traditional volume-based models to value-based systems of care and wellness. P3 believes its extensive experience managing Medicare Advantage (MA) populations in global risk arrangements drives its differentiated model, which simultaneously improves care and decreases costs. P3 is a portfolio company of Chicago Pacific Founders who provided P3’s initial and growth capital.

P3 Health Partners Investment Highlights

- **Empowering Value-Based Care:** Founded and led by physicians, P3 is a team of doctors, clinicians and support service professionals with a shared passion for delivering value-based care. P3 is dedicated to transforming healthcare for patients, providers, and payors with a proven physician-affiliated model that delivers high-quality, low-cost care to Medicare Advantage members.

- **Large Addressable Market for Medicare Advantage Patients:** Substantial market opportunity to partner with physicians & payors that serve the 60 million estimated Medicare eligible beneficiaries in P3's rapidly growing core \$300 billion Medicare Advantage Market. P3 currently operates in 11 markets across four states and expects to add three to five new markets annually to drive 35% patient growth over the long-term through a mix of payor and provider opportunities.
- **Rapidly Scalable, Capital-Light Model:** P3's capital efficient growth approach leverages the existing installed physician base across the U.S., which enables accelerated market entry while maintaining the preexisting patient and physician relationship. P3 enters markets with payor and provider partnerships to rapidly scale member growth while developing a full network of primary care, specialty, and ancillary providers.
- **Experienced Management Team:** P3 was founded and is led by one of the most experienced management teams in population health. The core management team has a 20-year track record with deep value-based care expertise and a proven ability to build and scale value-based care platforms.

"Today marks an important milestone in our mission to transform healthcare for patients, providers, and payors through value-based care," said Sherif Abdou, CEO of P3. "We have the right team and delivery model to help physicians and payors accelerate the move to value-based care within a growing market for Medicare beneficiaries. As a public company, we will continue to provide a differentiated approach to patient care for all key stakeholders while delivering proven care outcomes and enhancing patient and provider satisfaction."

Greg Wasson, Chairman of Foresight, said: "We are incredibly excited to partner with P3 and help drive the next phase of its growth. The P3 management team has deep value-based care expertise and a proven track record for addressing some of the largest challenges in healthcare today. Their innovative, patient-centered, and physician-led care model enables the delivery of high-quality care at scale while aligning physician incentives to drive improved outcomes and reduce medical costs. We look forward to partnering closely with them on this exciting next chapter as a public company."

As part of the transaction, Mark Thierer is expected to become the Chairman of the public company's board. Mr. Thierer is a recognized leader in the healthcare industry with more than 30 years of experience leading organizations to financial and operational success. He was previously Chairman and CEO of Catamaran, selling the business for \$12.8 billion to OptumRx in 2015. Mark went on to serve as CEO of OptumRx for two years post-acquisition and led the successful integration of the businesses. Mr. Thierer commented, "I'm very excited about serving as Chairman of P3 and working closely with the leadership team to build the population health market leader."

Transaction Terms

The combined company will have an estimated post-transaction enterprise value of \$2.3 billion with an estimated equity value of \$2.4 billion from the contribution of at least \$180 million in cash proceeds from the transaction. Proceeds will consist of up to \$316 million of cash held in Foresight's trust account, assuming no redemptions by Foresight's public stockholders, and an additional fully committed private investment of over \$200 million at \$10.00 per share, including participation from funds and accounts managed by Fidelity Management & Research Company LLC and Janus Henderson Investors.

The net proceeds raised from the transaction will be used to support P3's working capital and accelerate the national expansion of its proven platform.

The transaction is expected to result in P3's existing members owning approximately 75% of the equity of the combined company. The business combination has been approved by the boards of directors of both P3 and Foresight and is expected to close in the second half of 2021, subject to regulatory and stockholder approvals, and other customary closing conditions.

For a summary of the material terms of the transaction, as well as a supplemental investor presentation, please see the Current Report on Form 8-K to be filed with the U.S. Securities and Exchange Commission ("SEC"). Additional information about the proposed transaction will be described in Foresight's proxy statement relating to the merger, which it will file with the SEC.

Advisors

J.P. Morgan Securities LLC acted as exclusive financial advisor to P3. Latham & Watkins LLP acted as legal advisor to P3. Greenberg Traurig, LLP acted as legal advisor to Foresight. Cowen and William Blair served as financial advisors to Foresight. J.P. Morgan Securities LLC, Cowen and William Blair acted as co-placement agents on the PIPE. Mayer Brown acted as placement agent counsel.

Forward-Looking Statements

The information in this press release includes "forward-looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as "estimate," "plan," "project," "forecast," "intend," "will," "expect," "anticipate," "believe," "seek," "target" or other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to, statements regarding estimates and forecasts of financial and performance metrics and expectations and timing related to potential benefits, terms and timing of the transaction. These statements are based on various assumptions, whether or not identified in this press release, and on the current expectations of P3's and Foresight's management and are not predictions of actual performance. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of P3 and Foresight. These forward-looking statements are subject to a number of risks and uncertainties, including changes in domestic and foreign business, market, financial, political and legal conditions; the inability of the parties to successfully or timely consummate the proposed business combination, including the risk that any required regulatory approvals are not obtained, are delayed or are subject to unanticipated conditions that could adversely affect the combined company or the expected benefits of the proposed business combination or that the approval of the stockholders of Foresight or P3 is not obtained; failure to realize the anticipated benefits of the proposed business combination; risks relating to the uncertainty of the projected financial information with respect to P3; future global, regional or local economic and market conditions; the development, effects and enforcement of laws and regulations; P3's ability to manage future growth; P3's ability to develop new products and solutions, bring them to market in a timely manner, and make enhancements to its platform; the effects of competition on P3's future business; the amount of redemption requests made by Foresight's public stockholders; the ability of Foresight or the combined company to issue equity or equity-linked securities in connection with the proposed business combination or in the future; the outcome of any potential litigation, government

and regulatory proceedings, investigations and inquiries; and those factors discussed in Foresight's Annual Report on Form 10-K for the year ended December 31, 2021 and filed with the SEC on April 6, 2021 (the "Annual Report") under the heading "Risk Factors," and other documents of Foresight filed, or to be filed, with the SEC. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither P3 nor Foresight presently know or that P3 and Foresight currently believe are not material that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect P3's and Foresight's expectations, plans or forecasts of future events and views as of the date of this press release. P3 and Foresight anticipate that subsequent events and developments will cause P3's and Foresight's assessments to change. However, while P3 and Foresight may elect to update these forward-looking statements at some point in the future, P3 and Foresight specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing P3's and Foresight's assessments as of any date subsequent to the date of this press release. Accordingly, undue reliance should not be placed upon the forward-looking statements.

Additional Information About the Proposed Business Combination and Where to Find It

The proposed business combination will be submitted to stockholders of Foresight for their consideration. Foresight intends to file a proxy statement (the "Proxy Statement") with the SEC to be distributed to Foresight's stockholders in connection with Foresight's solicitation for proxies for the vote by Foresight's stockholders in connection with the proposed business combination and other matters as described in the Proxy Statement. After the definitive Proxy Statement has been filed, Foresight will mail the definitive Proxy Statement and other relevant documents to its stockholders as of the record date established for voting on the proposed business combination. Foresight's stockholders and other interested persons are advised to read, once available, the preliminary Proxy Statement and any amendments thereto and, once available, the definitive Proxy Statement, in connection with Foresight's solicitation of proxies for its special meeting of stockholders to be held to approve, among other things, the proposed business combination, because these documents will contain important information about Foresight, P3 and the proposed business combination. Stockholders may also obtain a copy of the preliminary or definitive Proxy Statement, once available, as well as other documents filed with the SEC regarding the proposed business combination and other documents filed with the SEC by Foresight, without charge, at the SEC's website located at www.sec.gov or by directing a request to Gateway Investor Relations, (949) 574-3860, FORE@gatewayvir.com.

Participants in the Solicitation

Foresight, P3 and certain of their respective directors, executive officers and other members of management and employees may, under SEC rules, be deemed to be participants in the solicitations of proxies from Foresight's stockholders in connection with the proposed business combination. Information regarding the persons who may, under SEC rules, be deemed participants in the solicitation of Foresight's stockholders in connection with the proposed business combination will be set forth in Foresight's proxy statement when it is filed with the SEC. You can find more information about Foresight's directors and executive officers in Foresight's Annual Report. Additional information regarding the participants in the proxy solicitation and a description of their direct and indirect interests will be included in the proxy statement when it becomes available. Stockholders, potential investors and other interested persons should read the proxy statement carefully when it becomes available before making any voting or investment decisions. You may obtain free copies of these documents from the sources indicated above.

P3's Projected Mature Market Ramp

Commentary

- P3's historical and projected growth can be illustrated via a simple cohort analysis
- Assuming 10,000 members in year 1, a 35% CAGR implies ~33k members by year 5
- Revenues expected to correspondingly scale with members, increasing from \$84mm in year 1 to \$300mm+ by year 5
- In terms of MCR and EBITDA margins, assumes initial, temporary loss, which is expected to quickly shift to break-even and then expected to grow profitability after the first few years
 - Reflects benefits of driving towards ~70% MLR target over the longer term
 - Projected margins for year 5+ members are illustratively 28% from year 5 onwards

Summary Risk Factors

Key Risks Relating to P3 Health Group Holdings, LLC ("P3 Health") and Foresight Acquisition Corp. ("Foresight")

Certain factors may have a material adverse effect on our business, financial condition, and results of operations. The summary risks and uncertainties described below are not the only ones we face. Additional risks and uncertainties that we are unaware of, or that we currently believe are not material, may also become important factors that adversely affect our business. The list below has been prepared solely for purposes of the proposed private placement offering in connection with the proposed business combination (the "Business Combination") between P3 Health and Foresight Acquisition Corp., a special purpose acquisition company (SPAC), and solely for potential private placement investors in such offering, and not for any other purpose. Accordingly, the list below is qualified in its entirety by disclosures contained in documents filed or furnished in the future by Foresight with the U.S. Securities and Exchange Commission, including the documents to be filed or furnished in connection with the Business Combination. The risks presented in such filings may differ significantly from and be more extensive than those presented below.

- We have a history of net losses. We expect to continue to incur losses for the foreseeable future and we may never achieve or maintain profitability.
- Our limited operating history makes it difficult to evaluate our future prospects and the risks and challenges we may encounter.
- Following the consummation of the Business Combination and private placement offering, we will need to raise additional capital to fund our existing operations, develop and commercialize new services and expand our operations.
- The COVID-19 pandemic has impacted, and may continue to impact, our operations and may materially and adversely affect our business and financial results.
- We rely on our management team and key employees and our business, financial condition, cash flows and results of operations could be harmed if we are unable to retain qualified personnel.
- Our growth depends in part on our ability to identify and develop successful new geographies, physician partners, payors and patients. If we are not able to successfully execute upon our growth strategies, there may be a material adverse effect on our business, financial condition, cash flows and results of operations.
- If growth in the number of patients and physician partners on our platform decreases, or the number of products or services that we are able to provide to physician partners and patients decreases, due to legal, economic or business developments, our business, financial condition and results of operations will be harmed.
- Under most of our agreements with health plans, we assume some or all of the risk that the cost of providing services will exceed our compensation. A failure to accurately estimate either payments owed to us or incurred but not reported medical expense could adversely affect our results of operations and result in reduced revenues and/or increased expenses and therefore losses that are significantly higher than initially reported or reductions in income.
- If the estimates and assumptions we use to project the size, revenue or medical expense amounts are inaccurate, our future growth prospects may be impacted and we may generate additional losses or fail to attain financial performance targets.
- We primarily depend on reimbursements by third-party payors, as well as payments by individuals, which could lead to delays and uncertainties in the timing and process of reimbursement, including any changes or reductions in Medicare reimbursement rates or rules.
- One of P3 Health's existing equity holders has asserted it has a contractual option to purchase additional equity interests in P3 Health in connection with the proposed transactions with Foresight. If applicable, it would result in a \$25 million capital inflow to the P3 Health and shift the relative equity ownership of the existing P3 Health owners. P3 Health does not agree that such contractual option applies to this transaction as structured, and that specified exceptions apply. P3 Health and Foresight have proposed a transaction structure such that any exercise of the option, if it applied, would not result in dilution to existing investors in Foresight or investors in the private placement. However, no assurance can be made that this issue will not ultimately result in litigation by and among the existing equity holders of P3 Health.
- Changes in the payor mix of patients and potential decreases in our reimbursement rates as a result of consolidation among health plans could adversely affect our revenues and results of operations.
- The impact on us of recent healthcare legislation and other changes in the healthcare industry and in healthcare spending is currently unknown, but may adversely affect our business, financial condition and results of operations.

Summary Risk Factors (Cont'd)

- The healthcare industry is intensely regulated at the federal, state and local levels, including regulations regarding our agreements or arrangements with any physician equity holder of our practices, and government authorities may determine that we fail to comply with applicable laws or regulations and take actions against us. In addition, laws regulating the corporate practice of medicine could restrict the manner in which we are permitted to conduct our business, and the failure to comply with such laws could subject us to penalties or require a restructuring of our business.
- The termination or non-renewal of the Medicare Advantage contracts between Centers for Medicare and Medicaid Services (CMS) and the health plans with which we contract, or the termination or nonrenewal of our contracts with those plans, could have a material adverse effect on our revenue and our operations.
- We are dependent on physician partners and other providers to effectively manage the quality and cost of care and perform obligations under payor contracts.
- Reductions in the quality ratings of the health plans we serve could have a material adverse effect on our business, results of operations, financial condition and cash flows.
- We have relationships with affiliated independent physicians and group practices that we do not control to provide healthcare services, and our business could be harmed if a material number of those relationships were disrupted or if our arrangements with such providers become subject to legal challenges, liabilities or reputational harm.
- Our business is concentrated in certain geographic regions, which makes us sensitive to regulatory, economic, environmental and competitive conditions in those regions.
- We depend on our information technology systems, and any failure of these systems could harm our business.
- Security breaches, loss of data and other disruptions could compromise sensitive information related to our business or prevent us from accessing critical information and expose us to liability, which could adversely affect our business and our reputation.
- If we are unable to obtain and maintain sufficient intellectual property protection for our technology, or if the scope of the intellectual property protection obtained is not sufficiently broad, our competitors could develop and commercialize technology and services similar or identical to ours, and our ability to successfully commercialize our technology and services may be impaired.
- If we are unable to protect the confidentiality of our trade secrets, the value of our technology could be materially adversely affected and our business could be harmed.
- While we have taken steps to protect our intellectual property, we may be involved in litigation claiming that we have infringed on a third party's intellectual property or in litigation enforcing our intellectual property, which could be time consuming and costly and may adversely affect our business, financial condition, results of operations and prospects.

Summary Risk Factors (Cont'd)

Risks Related to the Business Combination and the Private Placement

Except as otherwise noted below, references to "we" and "our" below refer to Foresight

- Directors of Foresight have potential conflicts of interest in recommending that our stockholders vote in favor of approval of the Business Combination.
- Foresight's initial stockholders, officers and directors have agreed to vote in favor of the Business Combination, regardless of how our public stockholders vote.
- Foresight's sponsors, directors, officers, advisors, and their affiliates may enter into certain transactions, including purchasing shares or warrants from public stockholders, which may influence a vote on the Business Combination and reduce the public "float" of our securities.
- Subsequent to the consummation of the Business Combination, we may be required to take write-downs or write-offs, restructuring and impairment or other charges that could have a significant negative effect on our financial condition, results of operations and the price of our securities, which could cause you to lose some or all of your investment.
- We may invest or spend the proceeds of the Business Combination and private placement in ways with which the investors may not agree or in ways which may not yield a return.
- Each of Foresight and P3 Health have incurred and will incur substantial costs in connection with the Business Combination, private placement and related transactions, such as legal, accounting, consulting, and financial advisory fees, which will be paid out of the proceeds of the Business Combination and the private placement.
- There can be no assurance that the common stock issued in connection with the Business Combination will be approved for listing on Nasdaq following the closing, or that we will be able to comply with the continued listing standards of Nasdaq.
- The ability of Foresight's public stockholders to exercise redemption rights with respect to a large number of shares could deplete Foresight's trust account prior to the Business Combination and thereby diminish the amount of working capital of the combined company.
- Uncertainty about the effect of the Business Combination may affect our ability and the ability of P3 Health to retain key employees and integrate management structures and may materially impact the management, strategy, and results of our operation as a combined company.

Glossary of Terms

- **Shared savings (lives)** – A payment strategy that offers incentives for providers to reduce health care spending for a defined patient population by offering them a percentage of net savings realized as a result of their efforts
- **Full-risk (lives)** – A strategy that holds provider organizations fully accountable for the health outcomes of their patients; practices are paid a fee for each patient and then cover all the costs of caring for that patient
- **Value-based care (“VBC”)** - A healthcare delivery model in which providers, including hospitals and physicians, are paid based on patient health outcomes

CONFIDENTIALITY AND BASIS OF PRESENTATION

The information in this presentation is highly confidential. The distribution of this presentation by an authorized recipient to any other person is unauthorized. Any photocopying, disclosure, reproduction or alteration of the contents of this presentation and any forwarding of a copy of this presentation or any portion of this presentation to any person is prohibited. The recipient of this presentation shall keep this presentation and its contents confidential, shall not use this presentation and its contents for any purpose other than as expressly authorized by P3 Health Partners ("P3") and Foresight Acquisition Corp ("Foresight" or "SPAC") and shall be required to return or destroy all copies of this presentation or portions thereof in its possession promptly following request for the return or destruction of such copies. By accepting delivery of this presentation, the recipient is deemed to agree to the foregoing confidentiality requirements.

This presentation is provided for informational purposes only and has been prepared to assist interested parties in making their own evaluation with respect to a potential business combination (the "proposed business combination") between P3 and Foresight, and related transactions, and for no other purpose. No representations or warranties, express or implied are given in, or in respect of, this presentation. To the fullest extent permitted by law, in no circumstances will P3, Foresight or any of their respective subsidiaries, stockholders, affiliates, representatives, partners, directors, officers, employees, advisers or agents be responsible or liable for any direct, indirect or consequential loss or loss of profit arising from the use of this presentation, its contents, its omissions, reliance on the information contained within it, or on opinions communicated in relation thereto or otherwise arising in connection therewith. Industry and market data used in this presentation have been obtained from third party industry publications and sources. None of P3 or Foresight has independently verified the data obtained from these sources and cannot assure you of the data's accuracy or completeness. This data is subject to change. In addition, this presentation does not purport to be all-inclusive or to contain all of the information that may be required to make a full analysis of P3 or the proposed business combination. Recipients of this presentation should each make their own evaluation of P3 and of the relevance and adequacy of the information and should make such other investigations as they deem necessary.

FORWARD-LOOKING STATEMENTS

Any investment in or purchase of any securities of P3 or Foresight is speculative and involves a high degree of risk and uncertainty. This presentation includes "forward-looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as "estimate," "plan," "project," "forecast," "intend," "will," "expect," "anticipate," "believe," "seek," "target" or other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to, statements regarding estimates and forecasts of financial and performance metrics, projections of market opportunity and market share, expectations and timing related to site build-outs and capacity deployment, potential benefits of the transaction and the potential success of P3's strategy and expectations related to the terms and timing of the proposed business combination and related transactions. These statements are based on various assumptions, whether or not identified in this presentation, and on the current expectations of P3's and Foresight's management and are not predictions of the actual performance. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of P3 and Foresight. These forward-looking statements are subject to a number of risks and uncertainties, including changes in domestic and foreign business, market, financial, political, legal and regulatory conditions; the inability of the parties to successfully or timely consummate the proposed business combination, including the risk that the conditions to the proposed business combination are not satisfied or waived, including that any required regulatory approvals are not obtained, are delayed or are subject to unanticipated conditions that could adversely affect the combined company or the expected benefits of the proposed business combination or that the approval of the stockholders of Foresight is not obtained; failure to realize the anticipated benefits of the proposed business combination; risks related to the effects and uncertainties created by the ongoing COVID-19 pandemic; risks relating to the uncertainty of the projected financial information with respect to P3; risks related to the rollout of P3's business and the timing of expected business milestones; risks related to P3's commercial partnerships, including the inability of P3 and commercial counterparties to enter into definitive agreements; future global, regional or local economic and market conditions; the development, effects and enforcement of laws and regulations; P3's ability to manage future growth; P3's ability to develop new products and solutions, bring them to market in a timely manner, and make enhancements to its platform; the effects of competition on P3's future business; the amount of redemption requests made by Foresight's public stockholders; the ability of Foresight or the combined company to issue equity or equity-linked securities in connection with the proposed business combination or in the future; the outcome of any potential litigation, government and regulatory proceedings, investigations and inquiries; and those factors discussed in Foresight's Annual Report on Form 10-K for the year ended December 31, 2020 and filed with the SEC on April 6, 2021 (the "Annual Report") under the heading "Risk Factors," and other documents of Foresight filed, or to be filed, with the SEC. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither Foresight nor P3 presently know or that Foresight and P3 currently believe are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect Foresight's and P3's expectations, plans or forecasts of future events and views as of the date of this presentation. Foresight and P3 anticipate that subsequent events and developments will cause Foresight's and P3's assessments to change. However, while Foresight and P3 may elect to update these forward-looking statements at some point in the future, Foresight and P3 specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing Foresight's and P3's assessments as of any date subsequent to the date of this presentation. Accordingly, undue reliance should not be placed upon the forward-looking statements.

USE OF PROJECTIONS AND DESCRIPTION OF KEY CONTRACTS AND PARTNERSHIPS

This presentation contains projected financial information with respect to P3, namely revenue, gross profit, EBITDA, EBITDA Margin and capital expenditures for 2021-2025. Such projected financial information constitutes forward-looking information, and is for illustrative purposes only and should not be relied upon as necessarily being indicative of future results. The assumptions and estimates underlying such projected financial information are inherently uncertain and are subject to a wide variety of significant business, economic, competitive and other risks and uncertainties that could cause actual results to differ materially from those contained in the prospective financial information. See "Forward-Looking Statements" above. Actual results may differ materially from the results contemplated by the projected financial information contained in this presentation, and the inclusion of such information in this presentation should not be regarded as a representation by any person that the results reflected in such projections will be achieved. Neither the independent auditors of Foresight nor the independent auditors of P3, audited, reviewed, compiled, or performed any procedures with respect to the projections for the purpose of their inclusion in this presentation, and accordingly, neither of them expressed an opinion or provided any other form of assurance with respect thereto for the purpose of this presentation.

This presentation contains descriptions of certain key business partnerships of P3. These descriptions are based on the P3 management team's discussions with such counterparties and the latest available information and estimates as of the date of this presentation. In each case, such descriptions are subject to negotiation and execution of definitive agreements with such counterparties which have not been completed as of the date of this presentation and, as a result, such descriptions of key business partnerships of P3, remain subject to change.

FINANCIAL INFORMATION; NON-GAAP FINANCIAL MEASURES

The financial information and data contained in this presentation is unaudited and does not conform to Regulation S-X. Accordingly, such information and data may not be included in, may be adjusted in or may be presented differently in, any proxy statement, registration statement, or prospectus to be filed by Foresight with the SEC. Some of the financial information and data contained in this presentation, such as EBITDA and EBITDA Margin, have not been prepared in accordance with United States generally accepted accounting principles ("GAAP"). EBITDA is defined as net earnings (loss) before interest expense, income tax expense (benefit), depreciation and amortization. Foresight and P3 believe these non-GAAP measures of financial results provide useful information to management and investors regarding certain financial and business trends relating to P3's financial condition and results of operations. Foresight and P3 believe that the use of these non-GAAP financial measures provides an additional tool for investors to use in evaluating projected operating results and trends in and in comparing P3's financial measures with other similar companies, many of which present similar non-GAAP financial measures to investors. Management does not consider these non-GAAP measures in isolation or as an alternative to financial measures determined in accordance with GAAP. The principal limitation of these non-GAAP financial measures is that they exclude significant expenses and income that are required by GAAP to be recorded in P3's financial statements. In addition, they are subject to inherent limitations as they reflect the exercise of judgments by management about which expense and income are excluded or included in determining these non-GAAP financial measures. P3 is not providing a reconciliation of its projected EBITDA, EBITDA Margin and other metrics for full years 2021-2025 to the most directly comparable measure prepared in accordance with GAAP because P3 is unable to provide this reconciliation without unreasonable effort due to the uncertainty and inherent difficulty of predicting the occurrence, the financial impact, and the periods in which the adjustments may be recognized. For the same reasons, P3 is unable to address the probable significance of the unavailable information, which could be material to future results.

ADDITIONAL INFORMATION ABOUT THE PROPOSED BUSINESS COMBINATION AND WHERE TO FIND IT

The proposed business combination will be submitted to stockholders of Foresight for their consideration. Foresight intends to file a proxy statement (the "Proxy Statement") with the SEC to be distributed to Foresight's stockholders in connection with Foresight's solicitation of proxies for the vote by Foresight's stockholders in connection with the proposed business combination and other matters as described in the Proxy Statement. After the definitive Proxy Statement has been filed, Foresight will mail the definitive Proxy Statement and other relevant documents to its stockholders as of the record date established for voting on the proposed business combination. Foresight's stockholders and other interested persons are advised to read, once available, the preliminary Proxy Statement and any amendments thereto and, once available, the definitive Proxy Statement, in connection with Foresight's solicitation of proxies for its special meeting of stockholders to be held to approve, among other things, the proposed business combination, because these documents will contain important information about Foresight, P3 and the proposed business combination. Investors and securities holders may also obtain a copy of the preliminary or definitive Proxy Statement, once available, as well as other documents filed with the SEC regarding the proposed business combination and other documents filed with the SEC by Foresight, without charge, at the SEC's website located at www.sec.gov or by directing a request to Gateway Investor Relations, (949) 574-3860, FORE@gatewayir.com.

INVESTMENT IN ANY SECURITIES DESCRIBED HEREIN HAS NOT BEEN APPROVED OR DISAPPROVED BY THE SEC OR ANY OTHER REGULATORY AUTHORITY NOR HAS ANY AUTHORITY PASSED UPON OR ENDORSED THE MERITS OF THE OFFERING OR THE ACCURACY OR ADEQUACY OF THE INFORMATION CONTAINED HEREIN ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

PARTICIPANTS IN THE SOLICITATION

Foresight, P3 and certain of their respective directors, executive officers and other members of management and employees may, under SEC rules, be deemed to be participants in the solicitations of proxies from Foresight's stockholders in connection with the proposed business combination. Information regarding the persons who may, under SEC rules, be deemed participants in the solicitation of Foresight's stockholders in connection with the proposed business combination will be set forth in the Proxy Statement when it is filed with the SEC. You can find more information about Foresight's directors and executive officers in Foresight's Annual Report. Additional information regarding the participants in the proxy solicitation and a description of their direct and indirect interests will be included in the Proxy Statement when it becomes available. Stockholders, potential investors and other interested persons should read the Proxy Statement carefully when it becomes available before making any voting or investment decisions. You may obtain free copies of these documents from the sources indicated above.

NO OFFER OR SOLICITATION

This presentation does not constitute an offer to sell or the solicitation of an offer to buy any securities, or a solicitation of any vote or approval, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
